Withrow is forced to punt to Shortridge.

A Hornet is stopped as Central bows to the Tigers.

Sports not only offers physical growth; one may also enlarge in other aspects, gaining an academic understanding of the games and comradeship through team play. All this is liberally provided by our Athletic Department. The sports in which Withrowites may participate include more than acquired skills such as gymnastics; they capitalize on man's natural actions of running, throwing, and jumping. Those after-school hours of work to perfect these basic movements according to the specific sport are well rewarded in the enjoyment of playing and honors gained through interscholastic competition.
