

Why they don't wear skirts!

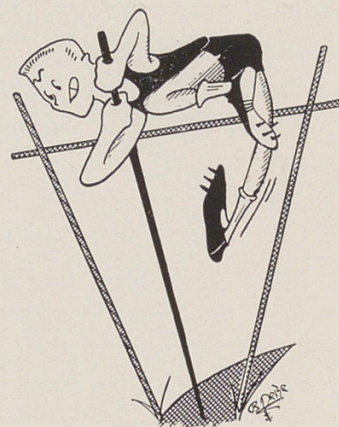

"Let's go, big team, let's go".

Poised for a skyward trip.

Why so glum, high jump chum?

Track is one of the most popular sports at Withrow, since all of man's natural actions, running, jumping, and throwing, are used in the variety of activities. With the coming of the earliest signs of spring, **Coach Nimmo** calls Mercuries to train in the gym so that they will be in top physical condition for the season's meets. This year's team stood well in all events from the mile run and sprints to the discus and shot put.
