The minor sports play an important part in the sports world of Withrow, where, with the exception of bowling, individual achievement is emphasized. Mr. Sherman gives the **tennis squad** expert instruction. This is proven by the numerous trophies won by the team, which are on display. Mr. Owens is the coach of the **golf** and **bowling** teams which give a good account of themselves in league competition.

The participants in these sports give their utmost in spirit and ability, and gain experience which they will put to use in later years.
