

A singing person is a happy person; so it is in Sr. Choir.

Closely knit through choral work, **Senior choir** has built up a high morale with social activities. Numerous events, including the "mixer," a closed party to help old and new members know each other, Christmas, and various "date" parties, are popular. **Madrigal**, that small group of excellent singers, spends extra time preparing songs in addition to their choir work. Like the parent body, Senior Choir, Madrigal fills many outside engagements, highlighted this year by singing for General Eisenhower.
