practical insights.

Among the dozens of clubs at Withrow, some—like this trio—offer training that may “pay off” in the future. Mr. Stearns ably leads the **Offset Club** of six boys selected for outstanding ability in printing classes. Besides operating Station W8-EaQ under the direction of Mr. Vordenberg, the **Radio Club** annually visits several broadcasting studios and manufacturing plants. Lenshounds of **Camera Club** receive expert instruction from Mr. Heger, himself producer of top-notch movies.
