

"Get your cookies here." That call marks just one of the many activities of Withrow's **Tower-Y girls**. This junior-senior organization, known as Y-Teens, is a subdivision of the Y.W.C.A. Throughout the year, these girls bake and sell cookies, conduct a brisk trade in Christmas wrappings, give lively parties, and listen to guest speakers. Under the sponsorship of Miss Graham, this organization endeavors to build Christian character and give service to others.

**Beta Hi Y**, Senior boys division of the Y.M.C.A., has just one purpose: to develop its members mentally, physically, and spiritually. Mental development is gained through educational addresses by well-known men. Through sports the boys improve themselves physically. Spiritual expansion is furthered by impressive services like the initiation ceremony. Under the competent supervisor, Mr. Vordenberg, the group raises money for scholarships.

## Beta Hi-Y and Tower-Y strengthen ethics by fellowship.

Sponsoring the sale of gay Christmas wrappings is only one of the many varied activities of junior and senior girls in Tower-Y.
