## Beta Chi and Tip Toppers,

"Where are they going? The airport? A television studio? A publishing company?" Beta Chi, the only business club of its kind in Cincinnati, visits them all to gain first-hand knowledge in the field of business before choosing their vocations. Meeting the third Monday of each month with Mr. Knost, the sponsor, ninety members vote on trips to be taken. Then after school, they jounce merrily away on a specially chartered bus. On Class Day, Beta Chi makes an award to the outstanding senior majoring in business subjects.
