

Meet **Tip Toppers**—Withrow's six-foot-plus boys and five-eight-plus girls, who really "reach for the stars." Their chief purpose: to enjoy themselves! So they swim at the Y, go on hayrides, and meet in the homes of members where, possibly, many a tall tale is told. Tip Toppers have already done much growing themselves, and under the sponsorship of Mrs. Konrad, who sets them an example of well-poised height, they continue to grow gracefully in the very best tradition of Withrow.
