

Susan is shocked when she comes upon Mother kissing her own Prof. Michaels.

season ending with Thalian's "Mother Is a Freshman".

They shot high and hit! Members of the Thalian Dramatic Club gave a grand performance in "Mother Is a Freshman." An amused audience enjoyed the situation created by a young widow's entrance to college so that she could pay for her daughter's higher education. Said daughter was a sophomore on the same campus. A senior "big shot," called Bobo, kept everyone in stitches, and Cupid pulled a few strings for a certain professor. The strings became a bit tangled but they were straightened out to the satisfaction of all. The lights softened; then darkness covered the stage; but there remains a pleasant memory.

"Stand back, bums! Everyone can't dance with Abby at once!"
