Stop, thief ! ! !

The still life stays as it is! For the sake of art you must resist that gorgeous fruit! We can't really blame you, though. Who could keep from swiping that fruit? Whether you grab one of those grapes, an apple, or the banana over there, it's bound to be good. Fruits that come from Martino's are consistently good.

Pleasant Interlude . . .

There's something about a cup of coffee that makes for congeniality and relaxation, and when the coffee is Boat House, flavor and satisfaction are assured. Here in the teachers' lunchroom, anyone can tell you that noon-time is a pleasant time.

Make your meals complete! Serve Boat House Coffee!
