

Avast, Ye Swab!

Keep your jools! Our treasure is much more valuable. No blighter can pull the wool over our eyes—'tis an old saying that the workman is no better than his tools.

These tools were purchased at the Pleasant Ridge Hardware Company, a store that carries only the finest in tools and hardware.

PLEASANT RIDGE HARDWARE Co.

Eat More Eggs!

It's a fact! Eggs are rich in Vitamin B 2, an essential for growth, good eyes, and healthy skin. Iron and calcium, also found in eggs, are important for good blood, and strong bones.

Withrow's lunchroom is famous for its delicious and nutritious meals. Naturally, Eberle's Eggs, fresh and tasty, are an important ingredient in the menus planned here.

Do yourself a favor, and eat more eggs—Eberle's Eggs, of course!
