

Seniors

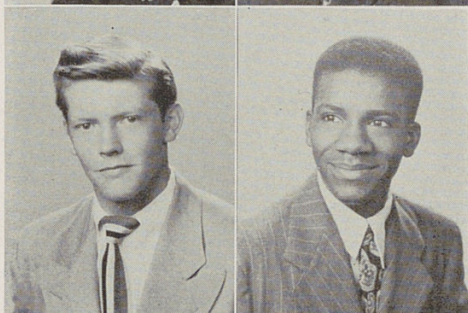

BROWN, MAGGIE

G. A. A., Honor Club, G. S. W. Maggie is one of our quiet girls, although she can be lots of fun. Her chief interest in life is girls' athletics.

BURKETT, MARVIN

Student Council, Honor Club, Alpha Hi-Y, Bulldog Staff. One of our more popular seniors, Marvin can always be found at any school event. He enjoys school and knows how to get the most out of it.

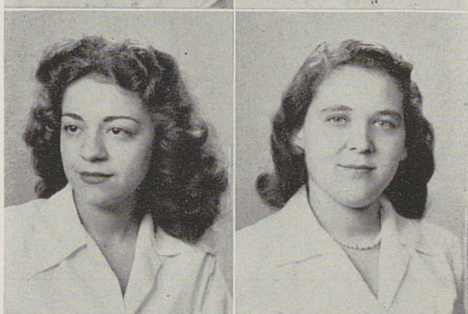

BUTLER, JAMES

James is the leader of the lunch-room wolfpack. In his more serious moments, he is a dependable worker and a staunch supporter of all Woodward activities.

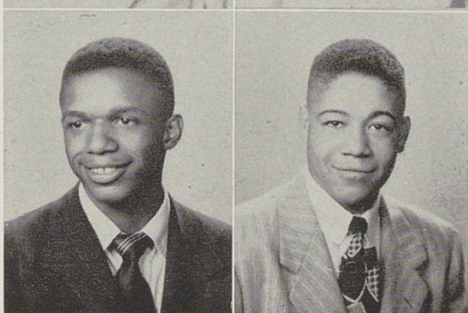

CAMPBELL, MARTHA

Co-op. Martha always has something helpful to add to any conversation. We all marvel at her speech. You see, she's from Kentucky.

CARCHEDI, JEANETTE

Co-op, Y-Teens. Jeanette is an aspiring stenographer with artistic tendencies. We wish her success in whichever field she chooses.

CARLISLE, LOVELESS

Honor Club, Alpha Hi-Y. Loveless is a fine fellow who is well liked by all the students and teachers. He's Dave Thomas' double.

BRYANT, DOROTHY

Band, Glee Club. All the girls talk about the smart styles that Dorothy creates with her lovely hair. Her choice of clothing adds even more to her attractiveness.

BURRESS, CHARLES

Band, Glee Club. Charles is one of the band's best performers on the trombone. His placid expression belies a keen sense of humor and an affinity for desks that creak.

BYRD, PETER

Basketball, Baseball. Peter is one of our athletic seniors. He goes out for both baseball and basketball. Someday we may see him in the major leagues.

CANADA, GRETCHEN

Tap Dancing. Gretchen with her pleasant ways and fun loving disposition is a favorite with everyone around Woodward.

CARCUTT, JANE

Y-Teens, Co-op, Tumbling. Jane is active in many groups. She belongs to the tumbling class, those breath-taking people who are the envy of all their classmates. She punches a mean comptometer, too.

CARLOCK, JAMES

Ninth Street Hi-Y. James is one of Woodward's most active students. Oh yes, wherever there is fun and frolic you will find him eager to join whatever is going on.
