## WEAVER, JUANITA

G. A. A.

She is sincere and honest in all that she does. Juanita is a friend well worth having.

## WHITE, ELMO

Baseball, Football, Basketball, Ninth St. Hi-Y.

Elmo is a sensation at end. He's a man of parts for he's good at baseball too.

## WILLIAMS, GLADYS

Always gay and cheerful, Gladys is a nice girl to know. She has a sweet disposition which accounts for her many friends.

## WILLIAMS, SAM

Football, Theta Honor Club, Track, Ninth St. Hi-Y.

Sam enjoys a good joke and a good football game and he's good at engineering both.

## WILSON, CHARLES

Charles is interested in being a pianist and plays very well. Those who know Charles predict a bright future for him.

## WINGATE, SCOTT

Band.

Although Scott is rather shy (we wonder) he has many friends and goes out for all activities.

## WEST, MARY ALICE

Y-Teens, Band, Y. C. C., Tap Dancing. One of Woodward's lovely flutists. She is cheerful and lively, but she can always stop and help you straighten out your problems.

## WHITESIDE, ROBERT

Robert is another one of our quiet seniors. Perhaps he is a good example of that old saying, "Still water runs deep."

## WILLIAMS, JESSE

Alpha Hi-Y, Visual Aids.

Jesse has a wonderful personality, a winning smile and an unusual determination to be calm at all times. Although he is only "five feet two" he can play a good and very fast game of basketball.

## WILLIAMS, WILLIE SAM

Football, Track, Reserve Basketball, Ninth St. Hi-Y.

Sam is a mainstay of the football and track team. He's also active in the Hi-Y. They tell us he's a fine cook, too.

## WILSON, FANNY

Co-op, Tap Dancing, Glee Club.

Fanny's quiet manner will carry her far. She never has much to say but she makes what she says count. She's a good sport and a popular student.

## WOODS, BOBBY

Bob is Woodward's contribution to the art of bookkeeping and also printing. We're sure the printing class would be at a standstill without him.
