

April

- 1 — Oh such news! Our auditorium is being painted. But what will we do about rehearsal? Oh well, we'll find a way, won't we?
- 4 — Today the annual pictures of the choir and band will be taken. Won't they make a lovely picture? Don't forget to smile when you see the birdie.
- 6 — Easter holidays began today and end the tenth. Gosh, we don't want to miss so much school. Who said that? We know you mean it.
- 11 — Senior music rehearsal the fifth period today. We're getting better every time. I guess it's harder than we thought, but we'll get it.
- 14 — Choir rehearsal for the May Festival today, sixth period. Oh, you lucky people.
- 16 — C. D. A. Tea today. We hope you have the success that the G. S. W. had with their tea.
- 18 — Gee whiz, today is "Opening Day" of the baseball season. Since we get out early, let's all go and have a good time.
