Placing second in all four of the city meets and copping a second place in the State Meet at Miami University, Oxford, Ohio, the Woodward Gym Team ended a very successful campaign without the services of their coach, Mr. Ralph Thompson, who left the school. Because of the great Big Red team from Hughes, our boys were never able to win a meet, although they did come within four points of registering a victory on one occasion.

Outstanding performers on the Blue and White squad were Captain Albert Lewis, Wesley Gilreath, John Moore, Paul Kaiser, William Wetenkamp, and Felix Mitchell.
