The Spanish Club, known as "Los Bobos," is composed of third and fourth year students. There are about fifteen members in all. The purpose of the club is to promote Spanish conversation and better understanding of the Spanish speaking countries and their people.

"Los Bobos" meets every Friday and conducts its business proceedings and its programs solely in Spanish. The programs consist of skits, reports, and discussions presented by the members, and talks by outside speakers.

The club is very active in promoting campaigns for the good of the school. It made a very good beginning this year by selling school pins and giving the proceeds to the Annual fund. They also sponsored a skating party, which was successful in spite of a necessary change in the date of the event. These proceeds went to the Basketball Team. In the election for a sponsor of the Basketball Team, the candidate of the Spanish Club, Jean Stark, was elected.

The Spanish pupils are very proud and fortunate to have Miss Juanita Eppinger as teacher and club adviser. She has traveled to practically all of the Spanish speaking countries and always gives to her students interesting and exact information in their studies. The officers of the club are Theodore Zukor, president; Antoinette Cucinotta, vice president; Herman Terrell, secretary; and Jean Stark, treasurer.
