

An administrator of a large school such as Woodward is presented with many problems. He must have the patience, skill, and leadership to help find desirable solutions to many difficulties. We are very fortunate, indeed, to have been guided by just such a person, our own principal, Mr. Moeller.

Although Mr. Moeller has been at Woodward only a year, he has already won a place in our hearts as a true and understanding friend. This may be due to the fact that he is a former graduate of Woodward High School and still holds his Alma Mater dear to his heart. The reflection of his love for old Woodward shows in his enthusiastic efforts to perfect Woodward and the Woodward students. We hope that we have shown Mr. Moeller that the same true Woodward spirit exists today as when he spent four happy and successful years here.
