

February

- 5 — Senior class meeting today. Mr. Roebuck gave a report on our announcements and our caps and gowns. Later Mr. Moeller explained our credits or lack of them.
- 6 — We had a lengthened home room period today so we could fill out the occupational questionnaire. We're beginning to feel more like seniors each day.
- 7 — We took our report cards home again today. Brother! Look at these exam grades. I knew that extra studying I put in last week would be a great help.
- 10 — Seventeen students were selected to go to the Fifth Annual Safety Institute at Walnut Hills this morning. Let's hope they profit by this assembly.
- 16 — Lucky us! Mel Martin from WLW-Television was here today. He told us a few things that go on behind the scenes in a television studio. Later we had a movie on television.
- 19 — Mr. and Mrs. Phillip Young Lee presented us with a wonderful program this morning. It consisted of music, both vocal and instrumental, discussion of Chinese customs and language and a talk on current China by Mrs. Lee. The very talented Mr. Lee played many of the Chinese musical instruments for us.
- 22 — We're so glad Old George provided a date on our calendar to end the monotony of school. It will be heaven to sleep 'till ten.
- 27 — What a game! It's a thrill that comes once in a lifetime. The Students played the Faculty today in the annual Student-Faculty Basketball game, and WE WON 28-27!! It was really a sight to see Mr. Zimmerman guarding Lavonia Johnson.

March

- 1 — Another assembly today. They are coming quite often now. The Student Council gave a program on Safety.
- 5 — Oh Happy Days! We were measured for our caps and gowns. It will be a great day when the cap replaces that tape measure.
- 9 — The Founder's Day program was inspiring as always. It makes us feel proud to be a part of dear Old Woodward. Mrs. Sophia Weiler is still the oldest living graduate of Woodward so she rang the bell this year.
- 10 — Woodward was the guest on Paul Dixon's T.V. Show. Some of the acts from the Woodward Hi-Capades were presented. Joan Cordell won an R.C.A. Victor record player for the best traffic slogan. Congratulations!
