

Boys' Athletics

Under the capable leadership of our coaches and physical education instructors, an intense athletic program was carried out during the course of the year. In gym the boys worked hard while our teams gave their best every minute of competition. At Woodward, as in other schools in the United States, the major emphasis is placed on team work and spirit. This type of training is responsible for the great success of our youth in every field.

The football team was hindered by a lack of experience and managed to win only two of nine games. One victory was in a P. H. S. L. contest over Walnut Hills, the other, an upset win over Dayton Fairborn.

Varsity Football

ROW 1—J. Golightly, W. Alford, A. Frazier, J. Somori, S. Schaeffers, R. Standriff, K. Johnson, J. Samples, W. Morris.
