

To be chosen as a Woodward Color Guard is the highest honor a Woodward student may achieve. Boys appointed to become guard of the red, white and blue are chosen for scholastic ability, outstanding character and citizenship. Each year the outgoing guards place the flag in the custody of the newly chosen Color Guard for the coming year. This ceremony is done with much precision on Class Day and is an impressive part of Commencement Exercise.

The new Color Guard promises with honor-bound duty to see that the flag is in its proper place at the beginning of each day, and that it is returned for safe keeping to the Assistant Principal's Office each evening. It is the responsibility of the Color Guard to place the flag on the stage in the auditorium for assemblies and auditorium sessions.

Let us remember our pledge — We promise allegiance — faithfulness, loyalty, all that we have — Indivisible, one nation that cannot be divided — with liberty, freedom, justice for all the people.
