To Woodward High School which for one hundred and twenty-two years has served as an institution of learning.

The first Woodward building was erected and dedicated in 1831. Since then the building has been re-erected three different times on the same site. In 1855, a great structure was built which was considered the noblest specimen of Gothic architecture west of the Alleghenies. Then came another Woodward building in 1910. This, to all Woodwardites was the epitome and culmination of Woodward's tradition, aims, and goals.

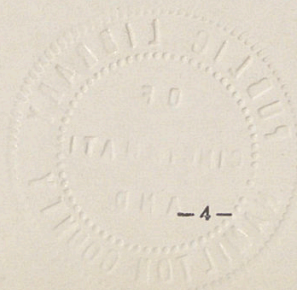

When approximately forty-two years later another dream became a reality, and the cornerstone was laid for a new Woodward, the largest, most modern high school in the city of Cincinnati at present.

To say that we are proud of Woodward and all the name means to the boys and girls of the past, present, and future Cincinnatians is a true statement of our deep and sincere feeling.

One of the outstanding features of Woodward is its Alumnae Association, for it has weathered the test of time and appears to be a powerful influence in promoting and preserving interest in the school.

In retrospect, we look down the annals of Woodward graduates and find names of prominence, names of scores of citizens whose lives were enriched and benefitted by the teachings of Woodward. However, we pause here to honor one of our outstanding countrymen, William Howard Taft, who was in the 1874 Woodward graduating class. He was elected to the presidency of the United States on November 3, 1908, the 27th president.

It is definitely true that one becomes attached and endeared to Woodward High School. To us students, our past four years marks an enriching period of a busy high school life — years of molding and remolding, adjusting and growing in every way. There is and was much to be gleaned, and as we seniors become a part of the archives of Woodward, we view the picture very clearly and vividly. We shall miss you.

To be chosen as a Woodward Color Guard is the highest honor a Woodward student may achieve. Boys appointed to become guard of the red, white and blue are chosen for scholastic ability, outstanding character and citizenship. Each year the outgoing guards place the flag in the custody of the newly chosen Color Guard for the coming year. This ceremony is done with much precision on Class Day and is an impressive part of Commencement Exercise.

The new Color Guard promises with honor-bound duty to see that the flag is in its proper place at the beginning of each day, and that it is returned for safe keeping to the Assistant Principal's Office each evening. It is the responsibility of the Color Guard to place the flag on the stage in the auditorium for assemblies and auditorium sessions.

Let us remember our pledge — We promise allegiance — faithfulness, loyalty, all that we have — Indivisible, one nation that cannot be divided — with liberty, freedom, justice for all the people.

FACULTY

Throughout a busy four years at Woodward High School, we have had little time to reflect upon the people who have contributed to our education. Ranking foremost among these persons is our faculty.

Their related and vast experiences and helpful advice in time of need added much to the success of many clubs and activities in and out of school. The faculty have motivated us to reach greater heights and to make a place for ourselves in a busy work-a-day world.

Mr. Winton L. Moeller, former graduate and former Principal was replaced by Mr. Roy Cahall from Central Vocational High.

MR. W. L. MOELLER

PRINCIPAL

TO THE CLASS OF 1953

On the twenty-fourth day of October, 1831, just one hundred and twenty-two years ago, the first Woodward School was opened and dedicated. This year on June 15, 1953, your class, the last class to be graduated from a Woodward School on the original site deeded by William Woodward, will be graduated. This is an honor which each of you must not take lightly. Yours is the responsibility to carry on the proud traditions and the illustrious records that Woodward graduates have made over these past one hundred and twenty-two years. If you are to meet this responsibility there are a number of things, it would be well, to keep in mind.

The spirit of Woodward is the spirit of study and work, of service and song, of unselfishness and sacrifice, of devotion and duty, of appreciation and gratitude, of sympathy and kindheartedness, of acquaintance and friendship, of high ideals and lofty ambitions, of loyalty to home and nation, of ultimate faith and calm repose. If each of you lives up to this challenge which has been given to every graduate of Woodward High School since the early days of the school's beginning, you will succeed beyond your fondest hopes and expectations.

Yea his spirit ever lives
In the hearts to whom he gives
Dearer gifts than fame and gold
Rich with blessings yet untold —
Prouder birthright none can hold —
Woodward, Woodward!

W. L. Moeller

MR. G. H. VAN NESS
ASSISTANT PRINCIPAL

Congratulations to the Graduating Class of 1953!

Completion of high school is an achievement of which you can be proud. You have worked hard and have gained both in knowledge and in understanding. The knowledge you have acquired equips you for greater service to your city, state and nation. Education leads one to a greater understanding of people and of life enabling you to live your own lives to a greater and richer capacity. Both you and society benefit from your education.

Your training has made you realize that you have an obligation to the groups of which you are a member. You know the importance of team work in achieving success and the necessity of putting teamwork above selfish desires.

You are aware of the value of hard work, honesty, and persistence. You will not go from Woodward with the expectation of receiving the rewards of life without earning them. The future is yours. May your contribution to that future be influenced by the teachings of Woodward.

Best of Luck!

G. H. Van Ness

MISS MARGUERITE RYAN
ASSISTANT PRINCIPAL

May you, the graduates of 1953, step over the threshold of Woodward High School into a world eager for you to assume the responsibilities of good citizenship. Be conscious of the many blessings awaiting those who take up the challenge with earnest hearts and an open minded realization of the rights of others. The world today needs individuals who can think, plan, and perform.

The members of the class who are completing the work of the Commercial Vocational program are fully equipped with skills and the knowledge which will fit them to take their places in Business and Industry, and to accept the challenge of work with confidence, and a feeling that they are able to meet the demands of the job at hand.

My sincere hope is that you will always uphold the standards and the traditions which your training has given you. May you always endeavor to broaden your learning by extended study and worthwhile experiences and may you establish friendships which will be lasting and beneficial.

The Student Council is the one organization in the school which offers a rest place for the problems of the student as well as the faculty. The purpose of this organization is to maintain and enlarge the activities of school spirit with full knowledge that any authority which we may exercise is granted to us in each specific instance by our principal. The members are proud to say that he, our principal, is a member of the Student Council. We believe in democracy, therefore, anyone that is not certain of how a democratic meeting is run, need only to sit in on a Student Council session.

This year the Student Council under the leadership of Martha Dunlap and Mr. Roland Payette has searched deeply to find and solve problems. The activities of the Student Council are not limited. The social program of school spirit has improved tremendously. The one project which the Student Council is most proud of is the Thrift Club. The chairman, Addie Brown, has done a magnificent job in helping to make the club a success. The community work we have done includes assistance to both the Junior Red Cross and the Polio Fund. An annual affair sponsored by the Student Council is the All Sports Banquet. The purpose is to honor those students who have shown outstanding abilities in the field of athletics.

To get the opinion of all the students, Home Room Representatives are chosen to meet and discuss problems which occur in the Home Rooms. Another branch of the Student Council is the executive committee which meets at regular intervals to decide on problems pending. This committee is composed of seven members plus the three officers. The final group is composed of forty members, ten represented from each grade. We use as our motto: "We entered to learn; depart to serve." Officers:

A hard working bunch, they are, their job, and a big one it is; to put out the school's newspaper. Their meeting place is 207 the first bell every day. Mrs. McKinney, the faculty advisor, works right along with the boys and girls in seeing that the paper gets out on time.

In putting out the paper they have a purpose or goal to maintain; to create better human relations between students and faculty and a feeling of good will all around.

To bring to the students of Woodward the news of the school in the best way possible. To continue to display clean sportsmanship in all our activities and athletics.

To strive toward the continued success of Woodward's high scholastic standing.

Joe Perdue, editor, is constantly working on better ideas of how to improve the paper. Donald Gray, make-up editor, uses his ingenious ideas to make the paper interesting and eye-appealing. Other members of the staff are Arnold Gregg, Norbert Foster, Betty Brock, Barbara Crowe, Pauline Tompkins, Anna Dodd, Don Bolt, Curtis McDaniels, William Calhoun, George Eastham, Ron Payne, Sam Gassert and Garey Reynolds, assist editor.

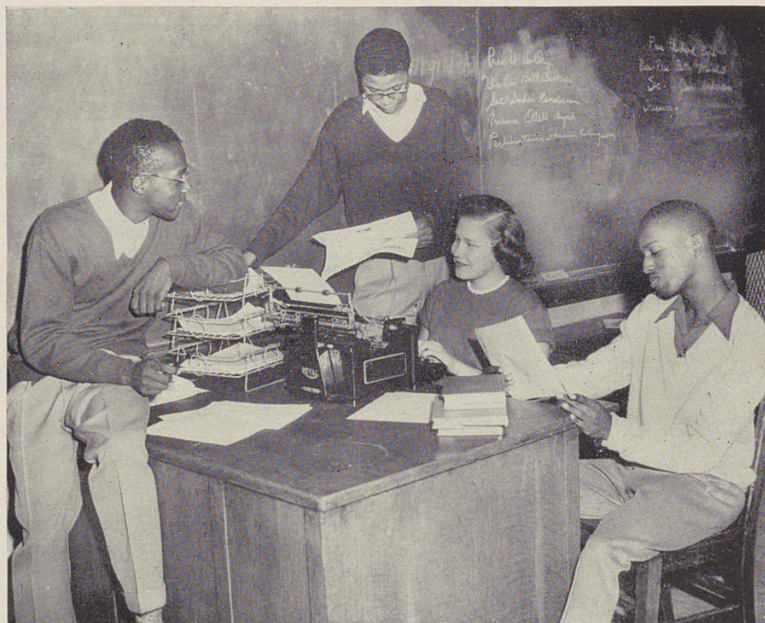

The Bulldog comes out every other Wednesday with the latest news of the school. Tips and gossip columns are featured and cuts are added to give variety.

This years staff was composed of all seniors except Bill Calhoun, a Junior, who will be the frame work from which next year's staff will be built around.

The graduating Seniors and "Bill" would like to extend their hardest gratitude for the privilege of working on the staff and would like to say to all our classmates and undergraduates! "GOOD BYE AND GOOD LUCK TO ALL."

THE BIG SALE brings together the big people. Circulation Manager, T. Robert Scribbin III; Editor, Joe Perdue; Feature Editor, Barbara Crow.

OLD WOODWARD HONOR CLUB

The Old Woodward Honor Club is composed of juniors and seniors who are rated as good citizens and have the required scholastic standings. The purpose of the club is to promote scholarship, leadership, citizenship and service through educational and cultural activities by programs for the club and the student body. This club works toward its goal under the leadership of Miss Schwartz and Mr. Van Ness.

Two meetings are held each month, one of which is a business meeting combined with a program based around our theme for this year, which is "Learning how teenagers in other countries live." The other meeting is a trip, perhaps to the art museum, Eden Park Green House, and Taft Museum.

I'm sure everyone is aware of the wonderful job done by the A. V. A. The A. V. A. has charge of all film strips, motion pictures, tape recorders and public address equipment. While sitting in your class or walking in the halls, you suddenly hear a loud crash, or see some one stumbling or falling, don't get excited it's only one of the A. V. Aiders dropping a piece of equipment or falling over an electric cord. But if you're near enough, will you help them gather the pieces of equipment, because it is rather expensive and harder to get than new members to Audio Visual Aids. This group works very hard in learning how to operate, take care of, and repair all equipment. The group performs a wonderful service to the school as well as to the pupils by showing motion pictures, slides, etc., to make the classes and studies more enjoyable.

Therefore, on alternate Fridays, each member is responsible for bringing to the meeting information on current affairs in the news. For other meetings we have outside speakers and movies, which are planned to inform us as consumers and improve our practices.

We sponsor dances twice a month so that the boys and girls will get to know and understand each other.

His magnetic personality has been the light that has shown so brilliantly attracting so many boys to the lighthouse that maintains and extends throughout the school community and playground and high standards of Christian character — the Hi-Y purpose.

The Ninth St. Hi-Y is the oldest Hi-Y club at the Ninth St. Branch. It has had in its rostrum of old, some of the finest men ever to inhabit Cincinnati, and now, making a prominent name in the business and professional world. For example: Ted Berry, a prominent Cincinnati lawyer. But this year's club hasn't been without its list of celebrates — Charles Wright, Arnold Gregg, Eddie Birks represented Ninth St. on Woodward's gridiron squad. Donald Oliver, hot-shot has basketed his way to stardom on the Bulldog cage squad.

And of course, Mr. Dawson, besides being an inspirational leader, surpasses all opposition in basketball capability, as the Blue and White chalked up another of its many successful seasons.

Other members of the organization seated around the table are: "Dead-shot", Ledonia Hardin, Ron Lear, James Deering, Sam Barnett, Cliff "Hank" Hazely, Ernest Brown, Adophus Lynn, Wadell Hudson, Delose Logan, and Eddie Hill.

Club officers are: President, Robert Dawson; Vice President, Garey Reynolds; Secretary, James Deering; Treasurer, Charles Wright.

The purpose of Y. C. C. is to mold the character of the young people, both socially and morally.

Y. C. C., the Young Cincinnatians' Club, meets at the Y. W. C. A. at Ninth and Walnut Streets every Friday night from September until June. A council of twelve members is chosen at the beginning of the year. Officers of the club are chosen within this council. On these Friday nights such activities as dancing, card playing, ping pong, checkers, chess and refreshments take place.

This is but one of Mrs. Rehkamp's dancing classes. The girls and also boys of Woodward who are interested and enjoy dancing do not have to go to any professional studio to learn this type of dancing. All they have to do is come to the regular tapping classes under the wonderful and able direction of Mrs. Edna Rehkamp. Her tireless efforts have been rewarded by the tap chorus in every Woodward Hi-Capades which are sensational in the utmost degree. By that time the girls have acquired poise, posture, grace, co-ordination and self-confidence — all the necessary characteristics that make wonderful Woodward Hi tap dancers.

G. A. A.

Dribble! Spike! Shoot! Swing! that is the seasonal cry from the G. A. A. advisors. Let's take a trip through the seasons with a G. A. A. girl. It is an eye opener for a new comer to Woodward; an invitation to future good times.

Fall finds the girls trudging to Deer Creek Commons on Reading Road where they practice and play Hockey amidst the band, track and football players. Undaunted as winter draws nigh they retreat (but only till spring) to the walls of the Woodward gym where Volleyball and then Basketball are in full swing. Morale is high because loud cheers come not only from the players but also from the avid spectators. During that "intermission" between winter and spring a strange change takes place on the fifth floor. Jacks, checkers, Chinese checkers, shuffleboard, table tennis, and aerial darts tournaments extend from gym to lunchroom. When the weather permits, the girls are out once again, this time

to Filson Park Playfield where the softball enthusiasts get their chance to perform. Playdays, swimming meets and all-membership parties and meetings help to round out an all inclusive program. Here is a calendar packed full of adventure, a sport for every girl, passive or active, to her choosing.

The 1952-53 corps of officers included: Joann Stuhlman, President; Patricia White, Vice President; Minnie Timmons, Corresponding Secretary; Yvonne Casey, Recording Secretary; Dolores Kuper, Treasurer, and Theresa Crittenden, Historian. Boys and girls who are interested in becoming cheerleaders should get in touch with Mrs. Buch or one of the varsity cheerleaders at the beginning of the year. They are required to have good school spirit, passing grades, pep, pleasing personality, and faithfulness in coming every morning before school to practice.

The Cheerleaders are chosen by the heads of the Athletic Department. They spend their energies in spurring on the team and spectators for dear Old Woodward.

Cheerleaders — An organization composed of Freshmen, Sophomore, Junior, and Senior girls under the faculty direction of Mrs. M. E. Buch.

These girls have to undergo a test to prove their capability of meeting the qualifications of a cheerleader. These qualifications are: passing grades, good attendance, activeness, and above all, good sportsmanship.

The duties of a cheerleader are: regular attendance at the games, willingness to learn the cheers, and taking part in the Pep Assemblies.

Since Mrs. Buch took over the Cheering Squad it has become a closed organization and meets before school every morning to rehearse cheers and to have club meeting.

CHOIR

The Woodward A Cappella Choir is an outstanding organization with qualifications for membership being an examination and a possession of musical ability.

The Choir participates in school programs and various events for other organizations. The performances during the past year included singing for the Southwestern Ohio Teachers Convention, Christmas Program at school, Founder's Day Program, Mid-Winter Concert, and The Hi-Capades. Woodward was one of the five selected schools to contribute their blended talents to the Cincinnati Symphony Orchestra's annual Christmas performance directed by Thor Johnson and initiated by Doctor Biddle.

All members have found that being faithful in attendance and practice has proven to be beneficial to both the student and the Choir.

WOODWARD HIGH SCHOOL BAND

The year 1952-53 was one of the most successful years in the history of the "A" Band. New recruits were put into shape by the hard driving senior members, starting August 22. Two weeks of hard work left the band in shape for the Pigskin Preview. Since this marked the dedication of the new Trechter Stadium, the band performed for a capacity crowd of 15,000. From that date through the football season the band was at its best. The members of the group enjoyed the two out-of-town trips to Springfield and Dayton Fairborn.

In addition to supplying music for assemblies and basketball games, the band scored hits in the West End safety parade, the kick-off luncheon for the Community Chest at Hotel Gibson, and in an exchange concert at Hughes High School. At the annual choir-band concert, the band was able to perform more difficult music and it may be said that the quality of performance reached a new high this season. The year ended with the usual parades and graduation exercise, and with forty-two members receiving letter awards.

ANNUAL STAFF

Garey Reynolds, Assitant Editor

Columbus Wilcox, Co-Editor

Miss Crotty, Advisor

Bill Plummer, Art Editor

Mary Jo Isham, Assistant Editor

As YOU look through the '53 Annual you see words, pictures, names and faces, but as the Annual Staff gazes fondly on the finished product we see a maze of paste, signatures, rulers, tiny strips of print, rubber cement and endless lists of names. But the skeleton finally took shape and into the molding of the book are the efforts and cooperation of a number of people. Mr. Reigel and his economists saw our finances through the year. Mr. Rubendunst kept the lenses focused on activities and was on call frequently. The faithful homeroom representatives boosted our Annual sales for the year. The Literary and Art Staffs had frequent brain storms, moments of grandeur, changes of mind and then settled down to their task. The Annual is a product of the Senior Class, but to some few seniors it has been a great part of their waking moments. It represents hard work, frayed nerves, but a whole whale of a lot of laughs, fun and good will!

FOOTBALL (WOODWARD) 1952

Backed by the fleet-footed one, Adolph Frazier, the Woodward gridiron squad got off to a rip-roaring, snarling, barking start with their twin victories in the Pigskin Preview. This surprising start of football revelies gave rise to very successful campaign hopes for the basin High eleven.

The two victories at the newly constructed Trecher Stadium, on a brisky football weathered night, were significant in that the Stadium, that very same night, was being dedicated to Howard Trecher, a former Woodward teacher; who had given his life in World War II for the cause of freedom. So you see it was nothing else for them to do but win; and win they did.

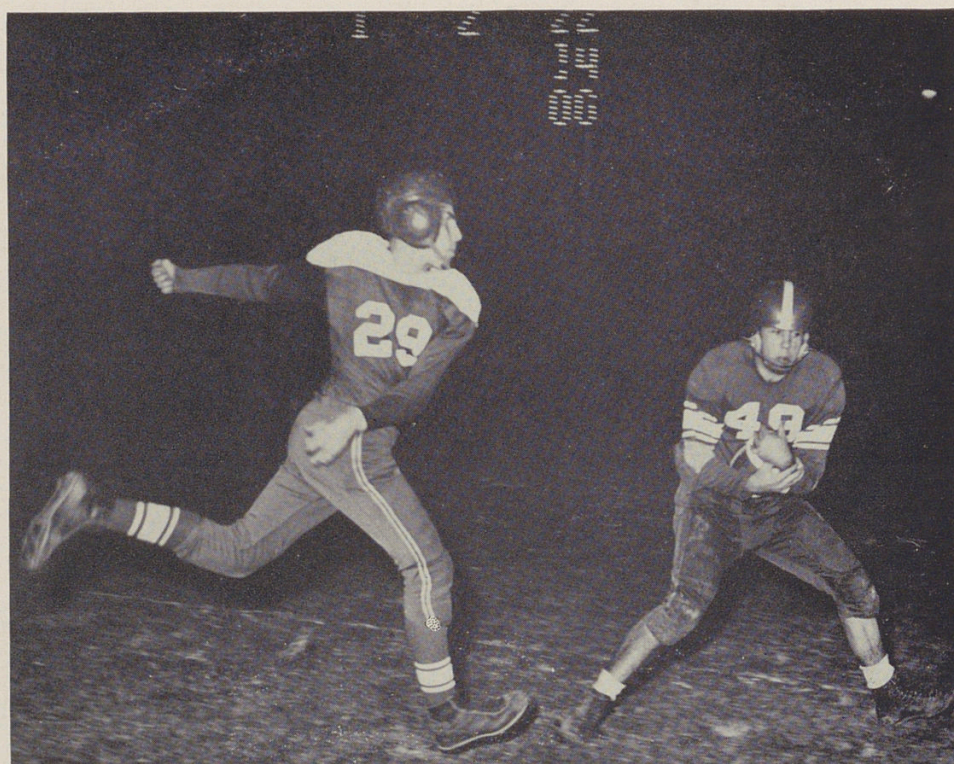

There was a definite feeling of determination, drive and enthusiasm in the minds and hearts of all those reb-blood, rock 'em, sock 'em, Woodwardites (boys that is, who answer the call for that first hectic day of training and drill at the immortal Deer Park), tall ones, fat ones, short ones, too; they were all there begging to get a chance to start the ordeal of getting into shape.

It took a little time to separate the men from the mice and as goes the mother goose rhyme, the clock struck one, the mouse ran down; so it was when serious bodily contact started, we didn't see them anymore. Work would now begin, blocking, tackling, calisthenics, blackboard, skull practice, running, jumping, skipping and hopping — result, sore muscles, charley horses, stiff necks, cramps, pains, bruises, scars, bumps and that old American retitist, bloodied noses. Surprisingly enough, there were no serious casualties during training — oh yes! but there were sprains.

All this and more robbed the boys of every ounce of reserved strength and energy that they might have had, but take it from the fellows, it was worth it. For, when the big day came for the issuing of suits, all the many gruelling hours that had gone into practicing, learning the plays, etc., were compensated for with the receiving of a uniform of the Blue and White.

"STR-I-IK-EE O-N-E"

No! he's not flinging the old horsehide across the plate as you might suspect. Attempting to knock down a pass was his chief aim. "Aim bad," Ray Greene is the ballet dancer.

The opening game of the season saw the Bulldogs migrate to Portsmouth, Ohio, to test their Football "know how" against an equally enthusiastic and determined eleven.

The year before Woodward travelled this same road to face a heavily favored, high ranking football machine, to arise, surprisingly enough, victorious over them in a giant upset that rocked Ohio High School Football history. Score, 28 to 19 (favor Woodward). This single victory received for Woodward the coveted position of eleventh in the State High School football.

The Portsmouth men were set on turning the tables on them this year. However, it was not to be written that way, for they both appeared to be equally matched as the score stationed itself at a 12 to 12 deadlock at the sound of the final gun, ending the game.

Although they had not won, all was smiles and laughter as they made their way back down to Cincinnati, singing and shouting the team's own version of "Verse for the Weaver", for they still had high ambitions of an undefeated season.

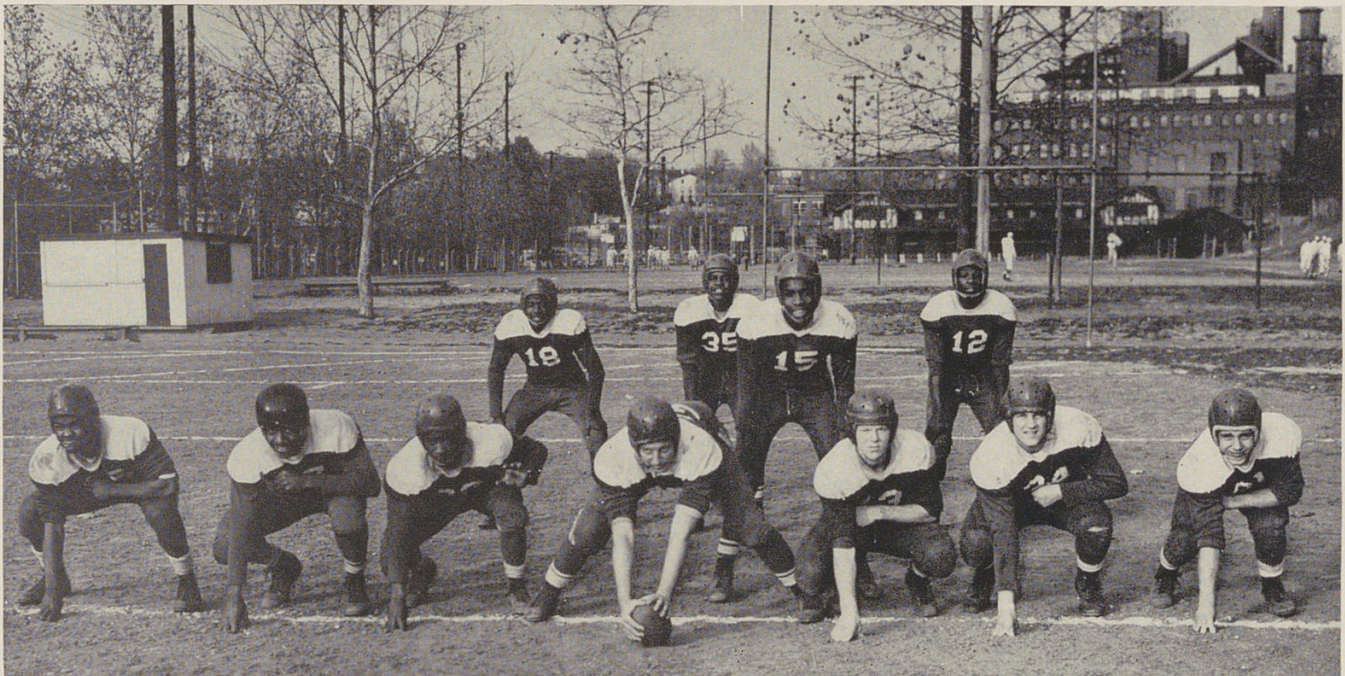

Be as it may, their dreams were scattered with their first set-back of the season at the hands of an underrated Roger Bacon eleven, subbing for North College Hill, who had dropped football from its curriculum. Score — 26 Roger Bacon, W.H.S. 6.

The weather was fair and mild, cloudly and turning cold, low that night around 35°. As the Blue and White stepped on the turf at Dayton, Ohio, to face Fairborn High School before a cheering, yelling football-loving crowd the noise died down to the silence of defeat. As the game Fairborn squad dragged themselves off the field after being handed a 33 to 0 white wash by the high spirited canine eleven.

The flowers and first signs of spring were no where in sight, but Springfield had the zip and zeal of a spry young rabbit as they ran through, around, and over Woodward to the tune of 61 to 0.

Remainder of the season saw Woodward rack up **one** more win, while losing four heartbreakers.

The victory witnessed the Bulldogs romp over the low-flying Eagles by the identical score as their previous win, 33 to 0. Set backs were to Central 19 to W.H.S.'s 6; Western Hills 34, W.H.S. 12; Withrow 20, Woodward 6; and Hughes, The Crimson Tide, beat and sunk the Woodward football machine 34 Hughes, 13 W.H.S. The entire season record was 2 wins, 1 tie, and 6 losses. Standing in the Public High School League was won 1, lost 4, getting them fifth place.

RESERVE FOOTBALL 1953

Aside from whipping the Varsity into shape for their big schedule, the Junior Varsity have a schedule of their own to maintain. Their opponents are Jayvees of the other public High Schools. This year as in yester years, Woodward's Jayvees have been very impressive in their six outings, displaying good, alert, aggressive juniors and sophomores who will be the bricks that will go into the building of a varsity squad come next fall, along with the members not graduating. During the entire season theirs has been the occupation of the bench, adding depth, relief and comfort to the sixty-minute-men. Then their time will come to display their wares in action against the other teams. Here's hoping that next year's Varsity glorifies Woodward, by turning in a fine season of football, win or lose, with the help of the up and coming prospects.

This scene took place during one of the games last season. Coach Bathiany dishes out instructions to Walter Alford.

Although they only won 2 games, the boys displayed the fighting spirit, hard play and good sportsmanship that are a custom and lifelong tradition of all Woodward teams. Their's are the immortal words of Knute Rockne, "Try hard to win, but be a good loser."

This same school of thought will be in the minds and bodies of the many who will be trying to secure for themselves a team uniform, come around the gridiron season next fall.

Boys returning to give their services next fall, who added tremendously to the team's morale and reserve will be Sydney Broadnax, Terry "Bull" Hawkins, Sandy Willborn, Charles Wright, John Haywood, Pat Orloff, Don Moran, Ray Green, John Johnson, and many more.

Those who doffed their suits for the last time were: Bill "Crazy Legs" West Bill "Plastic" Bolling, Larry "Turnips" Arthur, Walt Alford, Red Morris, Adolph Frazier, Arnold Gregg, Morris Chisholm, John Williams, and more.

'Good luck to these boys in their coming careers.'

FRESHMAN FOOTBALL

Green, are they? Well, they are only freshmen. What more is there to expect? These first year men, under the able direction of Bob Krausher, have started with the basic rudiments of football — learning blocking, tackling, running and the simplest bread and butter plays in their easiest and non-complex form. Many of these boys have never played eleven man football, but are eager and willing to learn. Under careful guidance, following instructions, they are able in a very short period of time, to perform with surprising efficiency. The training and experienced absorbed from this first year, give them the zeal and enthusiasm to continue up the ladder to the Reserves where they get more experience and training, readying them for their big year, "The Varsity." It is hoped that theirs are the words of Dean Alfrange, "To build and succeed." Here's wishing you good luck.

BASEBALL 1953

It seemed extremely rocky for the Woodward nine that day as the score stood 2 to 4 with but one inning left to play. "Play ball!" (That familiar cry) is sweeping the country today with even more enthusiasm than in preceding years. These two strong predominating words are the signal for every red-blooded, able-bodied, American boy to start hunting frantically for that battered potent stick or perhaps the autographed big league ball. Whether it be fly catching on the sand lot, or a raw throat, gotten sitting in the sun-laden bleachers. There's no denying that bat, ball, and "boos" are symbolic of America's greatest past-time, Baseball.

Woodward is no exception to the rule, for every year along about this time, every glove-happy, sore arm, "hombre" in Woodward High storm to the invitational practice to display their talent to the watchful eye of manager and coach, Bob Krausher.

After the masquerade is over and all is peaceful and quiet, the team is chosen. It doesn't take long for the team to get the familiar sensation and rhythm of that "boom" stick and the customary sting of a high velocity horsehide.

With those tight biceps loosened up and the "gastro" conditioned with frequent sprints, the squad shifts into high gear and start the old "apple" to doing tricks. Days and weeks roll by rapidly consumed with long hours of improving practice. Then at long last, the opening game. "We made it, let's gittum, gang!"

Draft, graduation, "suit your fancy!" took some of our top men from last year's spike clad boys. Sv Broughton, hot corner enthusiast, is replaced by a newcomer, Willie Grant, a sophomore. Ron Payne has attempted to fill the shoes left by the departed Joe Somori at short stop. Frank's out, Charles is in. Sid Bradnax is a newcomer at second base.

The rest of the diamond remains unchanged. Don Oliver, ace pitcher and initial sacker, Adolph Frazier, Al Kien, Hosea Patterson, fly chasers. So far this season Woodward has completed three games, winning two, while dropping one. Wins were 6 to 3, Norwood. Asset to win, Billy Grant who smacked a four bagger to untie the score and defeat them. Woodward 2, Walnut Hills 1, tells the story of the second win.

WOODWARD TRACKMEN

There's thunder above as the track team gallops merrily around into the inside track, getting in condition for the coming season. The most freakishness of spring weather ever recorded in the history of Cincinnati, hampered the expectations of some well-wishers to invade the hallowed grounds of Deer Park at an early date.

However, inclement weather didn't postpone the conditioning season as most of the workouts were done in the gym. Finally, after a long delay, they were able to climb up Thirteenth Street, over Reading Road, and on to Deer Creek.

As of now, they have participated in two track meets, rising to third place on both occasions.

Over the gruelling summer months, military services' ever-present hand took possession of some of last year's top track performers. To name a few — William Lawson and Fred Brown. Graduation also took its toll — Ralph Kelly, Dave Cox, Nat Pugh, Dave Wright, and many more. This year's squad is in the process of rebuilding. Those returning and the incoming freshmen will make the bulk of the TEAM!

BASKETBALL 1953

Points were very scarce in this year's basketball schedule. During the past season, '52-'53, Woodward hardwood men, as far as winning was concerned, were successful in only two outings. Those were respectively, the first game of the season against Anderson Township and the first game facing Central Vocational. Both of these were true victories for the blue and white clad courtmen. That came as a shock to Woodward for they had been known far and wide for their basketball ability.

One year they went to the state finals, but were eliminated, proving that the foregoing statement is not a fallacy or meant to offend anyone. It seems to follow in a cycle, the winning years is what I refer to. Right now they are in a slump, bad years. Maybe four or five years from now they will be right up there on top again, defeating all-comers who challenge their skill and know how of the games of hoops. Therefore, it makes no great difference for our starics now, for we can certainly say with pride and dignity that our boys performed to the best of their ability and displayed the attributes that are characteristic of good ball-players, win or lose.

Let's wish them loads of luck in the coming years. Then, too, why not give them that extra vital push with your appearance and participation cheering wise, when the Woodward hoopsters take the floor once again next fall. "Give them something **more** to win for."

Below are the scores and members of the team.

BASKETBALL

WOODWARD RESERVE BASKETBALL

Making a bid for vacant posts left by the graduating seniors, the jayvee hoopsters, aside from working out with the Varsity, have a schedule to play themselves. The experience and "know-how" acquired from this year in the lower rank playing against other Public High Schools Junior Varsity, equipped these hardwood competitors with the skill and deportment of a good ballplayer.

William Motley, Ron Grant, Terry Hawkins, Eddie Kirks, and Eddie Hill are but a few of these reserve members who have added to the point scoring machine, smooth ball handing and "hawking" of a well balanced ball club.

With a nuclear of hoop talent such as we have here, surrounded with a host of other top notch performers, topped off with a fine coach in the person of Mr. Bob Krausher, great things are expected of the J.V.'s in the coming years of basketball.

FRESHMAN BASKETBALL

"For those of you who may have never handled a basketball, but have shown your interest with your presence at this first turnout, this is a Basketball!" "Look at it, hold it! and get the feel of it in your hands." "Bounce it on the floor and toss it to one another!" "For this enlarged spheriod I have here in my hand is destined to occupy your thoughts for about the next four or five months!"

These may have been the very words used by mentor Bob Krausher in the picture above; as he started out on the long road of teaching fundamentals to a bunch of "wet behind the ears" eager infant basketball enthusiasts.

However, whatever his first remarks might have been, the important thing to be considered is what these students learned throughout the remainder of training and during the entire playing season. Whether they mastered the basic tests or not — although this is extremely important — they did learn to cooperate, coordinate, follow directions, and acquire a reasonable amount of sportsmanship.

They have started from the bottom and are working up — all the more reason for them to be able to get along with others. As the years roll by, they will grow in rank — freshman, reserve, Varsity. It is hoped that this attitude will go with them all the way up the ladder.

Coach Krausher is going over the finer points of the game with the freshies.
