

SEPTEMBER 24—Assembly—"Boots and Saddles." We really had a movie star in our presence, "Boots" a trained dog. She really made a hit with us. She's patriotic, too, for she's enlisting in the army to help train other dogs. Good luck, Boots!

SEPTEMBER 25—First football game of the season. We did everything but cross the goal line as Roger Bacon trounced us, 39-0. Oh well, that's only the first game. Boy, oh boy, good old Roger Bacon! Just think of being among a group of fellows after the scarcity of the males here at Woodward. Confidentially, our fellows rate the highest—at least with me!

SEPTEMBER 30—The girls had an assembly today. Miss Aikin, our new dean, and Miss Schwartz explained their counseling system to us. Mrs. Rehkamp, Miss Orr, and Mrs. Jones, physical education teachers, told us of their activities for girls. Interesting!

## OCTOBER

OCTOBER 1—The Co-ed Club had a meeting tonight. There were nominations for officers. They also made plans for the future. More fun!

OCTOBER 2—The Scrap Collection began in earnest today. I wonder if they couldn't use some of the human scrap that is around here? Naturally, I wouldn't mean any of the faculty! The Annual Staff was announced today. We certainly should have a "solid" annual. I hope so. Our football team, captained by James Cornett, was taken for a ride by Norwood 13-6. This was a close game though, and we did give them a tough battle. I think these night games are a lot of fun. Oh, those Norwood wolves and "wolfesses!"

OCTOBER 6—Today was the first meeting of the Girl Reserves. They gave a skit showing how Girl Reserves and the Y. W. can improve a girl. Those suckers we had for refreshments tasted good! I'm glad that they decided to have their meetings in the evening because then I will be able to attend.

OCTOBER 8—Today we had the Boy's Week Campaign for our candidate for mayor. Those fellows really presented good platforms. Maples with his cigar, Cooper with his derby, and "Chuck" Hindersman with his crooning, all made a hit with the student body. (I inserted this a day late, Diary, so I know Hindersman won!)

OCTOBER 9—Another football game. This time we lost to Purcell, 32-0. Come on, fellows, let's take them next time!
