The Woodward Boosters is a newly founded club organized by Coach Neuman. The object of this club is to boost or push forward any activity which promises to benefit Woodward High School.

Because of the club's newness and Mr. Neuman's enlistment into the service, the Boosters haven't been as active as they would like to have been. Under the new leadership of Mr. Theisen, we sincerely hope this club will be more active next year and in the years to come. Good luck, future Boosters!
