Baseball

The baseball season has just started as the Annual goes to press, but we hope for a successful season for our team.

This year's team is almost entirely composed of new boys without team experience. Our pitchers, C. McHargue, H. Matthews, and T. Hesketh, are new players. Among the regular players, only H. Bellamah, shortstop, and H. Schrodell, centerfielder, are seasoned players of last year's team. In view of this, we realize our team will have a rough time, but we are sure that with their pluck and fighting spirit, they will win at least a majority of their games.
