

A Cappella Choir

The Woodward A Cappella Choir is a firmly established organization. In June it will complete the seventh year of its existence. In this time, the group has developed into a well-trained, robed, a cappella singing group which has won wide acclaim for its accomplishment. The members devote much time and effort to practice sessions largely because of their thorough enjoyment of vocal music and their pride in their excellently trained singing group.

The Choir appeared in Woodward's annual Christmas Cantata. The group sang with other high school choirs of the city in the Cincinnati May Festival, and in various musical programs presented in schools and churches in and around Cincinnati. This year, for the first time since the beginning of the war, the Choir presented a Spring Concert in the auditorium here at Woodward High School.

The Choir is under the direction of William Rimanoczy.
