## BEDGOOD, ELDA JEAN

American Problems Club, Latin Club.

Here's intelligence and personality combined in a smartly turned out, energetic, attractive girl.

## BEIDERHAKE, CRESCENT

Co-op.

Crescent is going to be a valuable addition to somebody's office. She is efficient and charming.

## BEHYMER, NORMA

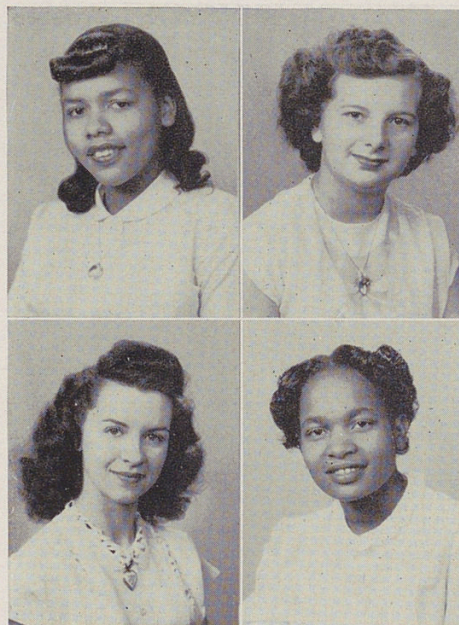

Co-op.

Although Norma is rather shy, her rare smile makes up for her silence.

## BELL, MARGARET

Co-op.

To Margaret our highest praise — a friendly, well groomed girl who can be loads of fun when the opportunity offers.

## BELL, PEARLIE ANN

Choir, Ballet, Public Speaking, Tap-dancing.

Her perky smile and shining eyes, her attractive manner, and well chosen clothes mark her as a real "Pearl".

## BERAHA, BERNIE

Alpha Hi-Y.

Bernie is very courteous and gentlemanly. He holds forth in the supply room where he loves to sell pencils to — the boys? ? ?

## BERNEY, JOHN

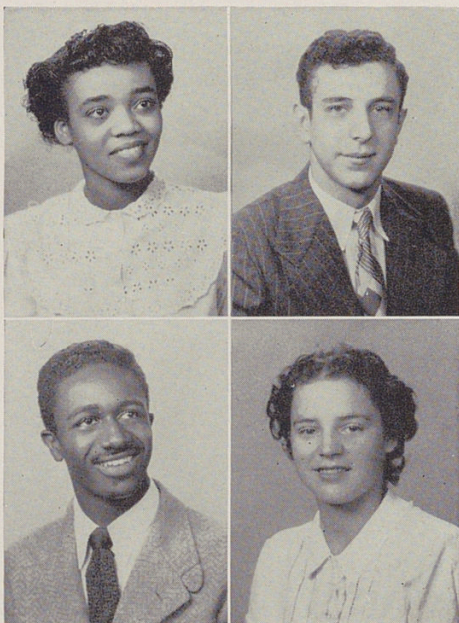

Public Speaking.

When better speeches are made, John will make them. We are sure he will have an interested and attentive audience.

## BITZER, JANET

Co-op.

A happy smile and gay laugh are Janet's great assets. It's too bad we haven't a lot more like her.

## BLACK, BARBARA

Co-op.

Barbara is a friendly person but must we say that her interest isn't always in things stenographic.

## BLACK, JOHN

Cross Country, Track Team, Glee Club.

Woodward's threat to Mel Patton. Has a pleasing personality and a nice disposition.

## BLAKE, GEORGEANNA

Janie Y-Teens, Physiology Club, Y. C. C., Lunchroom Squad. We all love Georgeanna because of her interests in people and her loyal and sincere friendliness. Does she still love Latin?

## BLANKS, GUSSIE

Gussie is loads of fun. We don't like to tell you, but she would rather do most anything than study.
