

Seniors

BURTON, EARL

Band, Baseball.

We are certain that Earl will get much farther than first base.

BURTON, WILLIAM

Football, American Problems Club.

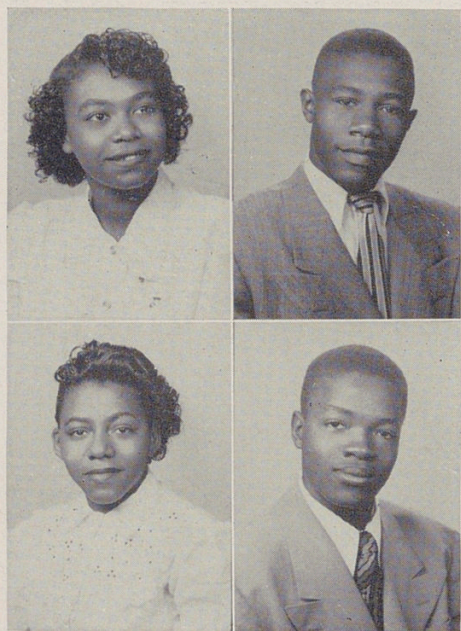

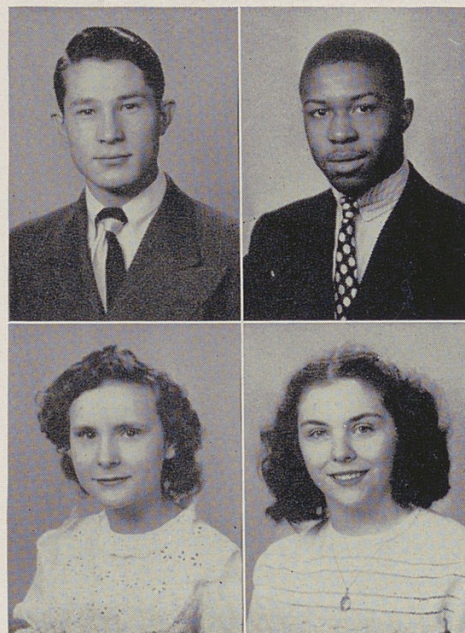

Here is an active Hi-Y member who is one of Woodward's candidates for football's "Hall of Fame."

BYRD, CLARA

Clara's shy manner, pretty blond hair and dark eyes portray perfectly her lovely personality.

BYRGE, LAVENA

Lavena is a very capable, dependable girl. Everyone admires the seriousness with which she works.

CALDWELL, BARBARA

Co-op.

Barbara's ready wit and ever present smile keep friends "in stitches."

CANADY, VERNON

Track, Football, Hi-Y, American Problems Club.

Around Woodward Vernon is well known for his stellar backfield performance. Have the Chicago Bears seen him? A great "back" who should go far.

CANNON, LESTINE

G. A. A., Y-Teens, Physiology Club.

"Of course" is slim, willowy Lestine's favorite expression. Could we find a new one for her?

CARMACH, HERBERT

If you want someone to run a movie machine or play a spot of basketball, Herbie is your man. He's very dependable.

CARRIER, KENNETH

"Buddy" is an aspiring track star who practices by galloping up and down the aisles of the Times Theater.

CARTER, CAROLYN

Band, Physiology Club.

A keen sense of humor makes Carolyn popular with both boys and girls.

CARTER, WILLIAM

Alpha Hi-Y.

One small and unnoticed senior (surely not, no senior is unnoticed) who is liked by all who know him.

CASTRO, CAMILO

Student Council, Cross Country, Reporter for WCKY, Visual Aids.

"Chico," our gallant caballero from Chile, charms the girls and amuses the boys with his gay chatter and fast tap routine.
