Believe it or not, I finally got the parking ticket my husband is always warning me about. It was given to me by AVIE SHARP, a neighborhood policeman. By the way, CLARENCE HOWARD is now our mail carrier.

I want a secretary to handle some of my personal correspondence. Maybe I could get one at MARY CONDIA's "White Collar Supply Agency," where one can hire secretaries, stenographers, bookkeepers, and comptometer operators. Some of her secretaries are AIELENE DELANEY, THERESA NOE, JENNIE HARP, MYRT BRUMMETT, SHIRLEY CLATTY, RITA BOCK, BARBARA BLACK, RUTH DENNISON, KATHERINE BRAUN, JANET BITZER, VIRGINIA COMPTON, ELLA MAE ENDRES, NANCY STEIDEL, DELORES SINGLER, JOAN VACH, DOLORES WEBER, FRANCES SCHWENDENMAN, LAVENA BYRGE, ODESSA BRYANT, MARY KELLERMAN and CHERYL RYNN. Some of the stenographers are RUTH BALL, CHARLOTTE HARVEY, VERA FITZGIBBONS, LORENE DUNCAN, and BARBARA CALDWELL. The typists are LULA WILLIAMS, JANE HAMILTON, ROSETTA WRIGHT, ALDAULCIE SOLOMON, MARY FISCH, and PAT REMER.

I got a letter from JACK TACKETT — he's a radar man in the navy. JOHN GREENE is also in the navy. GEORGE HARRIS has a job in the post office.

Speaking of secretaries, I was down at the Board of Education to speak to the Superintendent of Schools about readmitting Junior to school (He was expelled for running through the halls) and I saw JACKIE TROGLIN, who is a receptionist. She told me that JEAN KARETH, WANDA BECKLER, MARIE DeBRULER, ANNA FENSTERMACHER, CRESCENT BIEDERHAKE, BARBARA HALL, JEAN WARD, and BETTE DORIS CREECH also work at the Board under Civil Service.

When our garden club toured factories last week, I ran into RUTH TAYLOR, who is a laboratory technician, and DOROTHY GARDENER, who is a comptometer operator at the Hi-Spot Tire Factory owned by BOB BATTLE and MARVIN MOSES. CAROL McINTOSH, MARY HAYES, LOUISE HAWKINS, JESSIE MARSHALL, ELDA BEDGOOD and DOROTHY JENKINS are stenographers at the Tutti-Frutti Candy Bar Company, which is owned by JAMES HOUSE, JOHN BERNEY, and JOHN BLACK. ADELAIDE BURT keeps books for BARBARA JACKSON and EUGENE BRITTON, who own the Spade Undertaking Parlor.

Why don't you come down on VERNON CANADY's plane? (He has a good stewardess — FLOSSIE GAMBLE.) After you got to the airport, you could get one of KEN LENTZ's buses downtown and then get one of RONALD MILLER's Helitaxis right to our front door.

Perhaps we could visit some of our successful classmates to talk over old times.

Send me a telegram when you decide to come.

So long till then,

Pixie.
