

Track, coached by Mr. Richard Bathiany, is one of the minor sports which has grown considerably in recent years. Since the comeback of track to Woodward in 1946, this year's team is the best. The team members have worked diligently and performed wonderfully under the efficient guidance of the coach. The team's effort has brought honor to themselves, the coach, and the school. The team has competed with some of the best track teams in the state, and has shown well, even considering the handicap of no good field on which to practice.

Some of the prominent seniors who have performed this year are: Robert Stallworth, in the hurdles; Vernon Canady, in the broad jump; John Black, in the 440 yd. dash; Camilo Castro and Eugene Miracle, in the distance runs; and James House, an all round performer.

The juniors who will compete this year are: Ryland Herndon, David Thomas, Sam Williams, and James Hambrick.

The Junior track team is the best since '46. Some promising members are: Ralph Kelly, Clinton Reynolds, Carl Parker, Charles Goldsmith, Odel Jackson, and Earnest Moorehead. Some of these boys are already competing in senior events.

With four regulars, Earl Rice, Ken Sharp, Ron Warren, and Ronald Wilson from last year's squad, Coach Kraushar is striving to rebuild the Woodward Baseball team.

The diamond aspirants around whom Coach Kraushar plans to rebuild his team are Tom Beyer, Paul Huff, Larry Kilgore, and Arnold Young on the mound staff; Richard Beare and Ronald Wilson will handle the catching assignment; Wm. Bell, Winford Hall, James Hamilton, Earl Rice, Rob Sharp, Ken Sharp, Row Warren, and Elmo White are competing for the infield positions; and Harry Catching, Robert Cullen, Paul Huff, Wm Humphries, Larry Kilgore and Starland Schafer make up the outfield candidates.

Coach Kraushar is optimistic about his team as he believes that with additional experience this team will be able to compete with the best.
