

The Woodward Band began its activities three weeks before school opened in preparation for the preview football game at U. C. Stadium. Woodward's was one of two bands selected for the occasion. After quite a successful football season the band transferred its emphasis to concert music. On November 10th the Woodward Band participated in the Christmas Balloon Parade.

A clarinet quartet, a trumpet quartet, and a trombone quartet received Division II (Excellent) ratings at the Southwestern Ohio Competition Festival at Miami University, Oxford, Ohio. At the same Festival, Warren Grace, trombone soloist, received a Division I rating (Superior). On April 30th, he performed at the state Festival and received a Division II (Excellent) rating.

The year's activities were climaxed with a Spring Concert by the band and choir.
