

The cheerleaders are expected to attend all football, basketball, and baseball games, teach the cheers to students, cheer the team whether it wins or loses, be faithful and loyal at all times, and preside at pep rallies.

Boys and girls who are interested and who comply with certain qualifications are chosen by a group of faculty members. The new cheerleaders are taught the old cheers by the veteran cheerleaders, who are permitted to perform their duties at games. New cheerleaders cheer at games only at the end of the basketball season.

The cheer contest, which was held for the first time this year, will become an annual project of the cheerleaders, who say, "It is a hard task to be an all-round student and take the lead in an outside activity as difficult to learn as cheerleading, but the pleasure is worth it."

Our pretty majorettes lead our band in lively marches and novelty song numbers for football games. They also perform for special occasions such as the Spring Concert and parades. Candidates for majorette are approved by a group of faculty members. The prospective majorettes must practice with the others once a week. Each year the best and most experienced ones are chosen to lead the band. Hours spent as a majorette count in points toward a letter for service.
