

Any Woodward student or graduate may join the Young Cincinnatians' Club which meets on Friday nights in the Y. W. C. A. at Ninth and Walnut Streets. Since the membership quota of 85 is filled early in the school year, members may bring guests to "Open House" twice monthly. The Club does not meet regularly during football and basketball season when there are games on Friday night.

The purpose of the club is to promote social activities which, in turn, develop good character and citizenship. The activities of the club are planned by a council of twelve under the guidance and supervision of Miss Barbara Forbes, who is the club's advisor. In their modern clubroom, which has its own kitchen where refreshments are prepared, the members play checkers, chess, and ping-pong. Also, those who care to may dance or play records. The club's special events include swimming, hayrides, dances, moonlight picnics, parties, and starlight dances on the roof of the Y. W. C. A.

The officers of the club are Joan Gramke, President; Leroy Beckum, Vice-President; Marilyn Howard, Secretary; June Holley, Treasurer; Jean Ader and Bud Gulley, Sergeants-at-Arms.
