

SENIOR CLASS OFFICERS

Don Sallee	President
Charles Gayle	Vice-President
Yvonne Casey	Secretary
George Gay	Treasurer

We, the Senior Class Officers, deem it an honor to have been chosen by our fellow students to be their spokesmen. As class officers, it was our duty to get an expression of the opinions and ideas of the class. In speaking for the class, we hope that the decisions which we have made were thought of as the decisions of the class and not that of the officers. The knowledge of leadership and co-operation which we have gained in the past year will be of great value to each one of us as we journey through life.
