

DRUM MAJOR

Leading our Woodward Band is Willie Benford. Willie creates a picture which stays in our minds as he energetically maneuvers the band over the football field . . . their forming a "W", now an "H", now an "S". As the drums, horns, flutes merge into a spirited tune, Willie lifts his legs higher and higher, and struts with an air of enthusiasm and pride. He displays talent and good coaching by University of Cincinnati's Don Pointer. There will be a vacancy to be filled, for Willie graduates this '54. He has plans to continue "majoring" in being a drum major in college, but these are only tentative plans thus far.

Willie Benford

MAJORETTES

The majorettes don't play instruments, but they are a vital part of the Woodward Band for they add spirit and zeal to the entire group. The four majorettes are chosen for their ability to twirl and march. The head majorette this year was Willie Jones. With Willie as our drum major, it looks as though the Willie's have IT. The band just isn't complete without being prefaced by the prancing four.

Top Row—G. Jones, S. Vaías.

Bottom Row—W. Brooks, W. Jones.
