

HI-LIGHTS OF 1954 . . .

- September 6 The first day of school — Red letter day — And our eagerness to get started — But this year we won't mind the struggle for its graduation year.
- September 11 The big turnout at the "Pig Skin Preview." We won!
- September 18 The first win of the season when the Bulldogs smashed Miamisburg, 12-7.
- September 25 The **second** victorious feat of the team over Western Hills 12-7.
October 2 We lost to Dayton Fairborn 20-6. (Who could forget?)
- October 7 and 8 The day when the camera clicked and the lights shone over two thousand pupils.
- October 12 The Modern Dance Troupe's performance. We saw beautiful kumme and half circle steps — Know what we're talking about?
- October 30 The wonderful day of teachers' meeting. We had no school!
- November 12 The crowded halls and parents invading our private property — school — It was "Open House" and everyone donned their best behavior.
- November 25 The Thanksgiving Assembly and the choir singing "We Gather Together." We gathered food for the needy and felt good in doing so.
- November 26 Thanksgiving recess. Oh Boy! Were we thankful!
- December 1 Yeah! Bulldogs! We won our first basketball game.
- December 15 The day senior rings arrived. We were considered lucky if our eyes weren't punched out. It was third finger — either hand.
- December 18 Everyone enjoyed the Band's Christmas party. It was great fun — dancing and dining in the bandroom. That is —
- December 22 Those sugar plums dancing in our heads. These thoughts were uppermost for it was the Yuletide Season.
- December 23 Parties and the Christmas recess. See you in '54.
- January 1 How trite we were saying "haven't seen you since last year." — '54 brings us seniors close to "Farewell to Thee" and departure.
- January 4 Those New Year's resolutions broken or are badly bent already. Foolish to say you'd study three hours a day.
- January 26 Holy smoke — Praying and cramming — The exams slipped up on us.
- January 29 Relief — Whew!! Exams were a mental strain. Back to the **good ole days.**
