Cantemos — we sing. Singing is just one of the many interesting things we do in **Los Conquistadores** — The Conquerors. This name was selected from the many that were suggested because we are attempting to conquer Spanish! We meet in Room 505 on the first and third Thursday of each month from 3:10 until 4 o'clock. Besides singing, we play games (as Spanish as possible), see movies or listen to Spanish records or to speakers who can tell us about Spanish-speaking countries. The purpose of the club is to increase our knowl-

edge of the language we are studying and also our understanding of our Spanish-speaking neighbors. Our adviser, Miss Morris, and President Mary Jo Isham provided interesting and informative programs for each meeting of the year. One project of the club has been correspondence with persons in foreign countries, and we have received many interesting letters bringing us news about teen-agers of other nationalities, their customs, their schools, and many other interesting things that give us a glimpse of what another part of the world is like.
