

The Reserves, sometimes referred to as Junior Varsity, are composed of ninth and tenth-grade boys. Their purpose is to train to become material for future varsity teams. When asked to fill the positions of experienced varsity men, they responded splendidly, showing that same do-or-die spirit which was displayed so steadily by their fighting brothers of the varsity squad. On several occasions it was their efforts on the gridiron that enabled the team to come out on top.

To Coaches Alexander and Bathiany, who devote much time and energy to the activities of the football season, go the heartiest congratulations for a successful year. We were proud of the 1951 team and happy that it could add to the glory of Woodward High School.

They were there!
