

Proudly we present the Color Guard of the graduating class of nineteen hundred and forty-seven. To these boys has been entrusted the care of the flag of the United States of America during the current school year. It is an honor and a privilege to guard the colors of a country so outstanding in today's world.

The United States is the hope of the world. All freedom loving countries look to America for the strength which they need to solve the problems which face them. The United States stands for democracy and fair play with equal opportunities for all. We must live up to this and meet our obligations with strength and purpose.

The hope of the United States is the youth of today — the citizens of tomorrow. Our Color Guard is representative of this great group. Individually as members of the Senior Class we salute them and our country with the words:

"I pledge allegiance to the flag of the United States of America
and to the Republic for which it stands, one Nation indivisible, with
liberty and justice for all."
