EDUCATION

Woodward High School

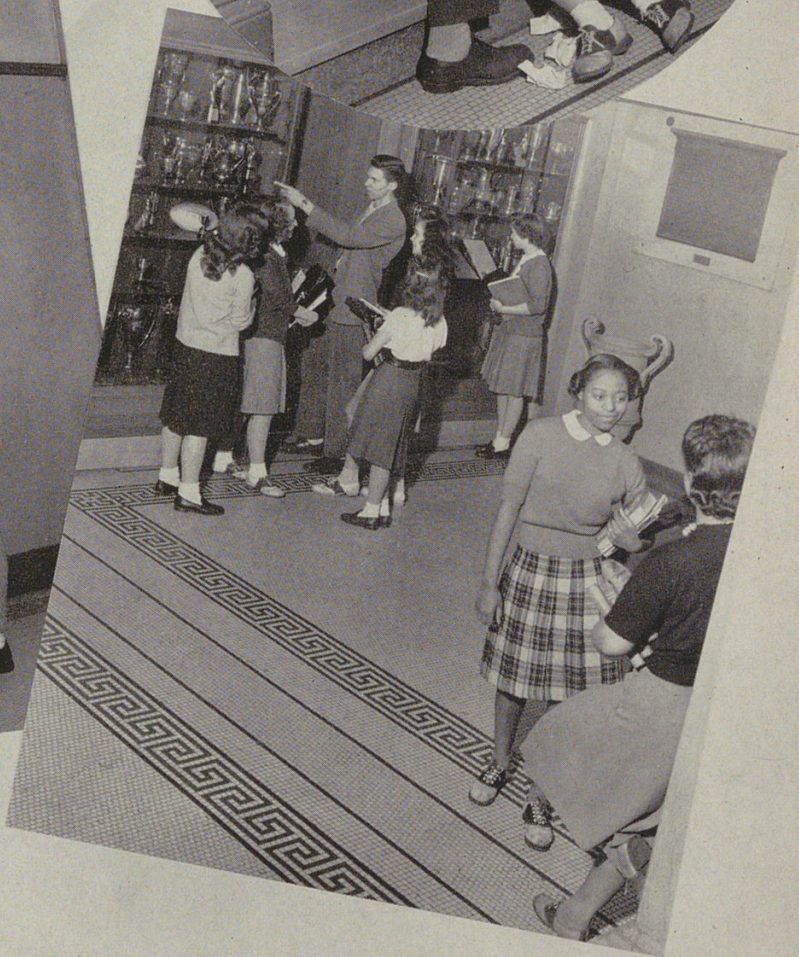

Dedication

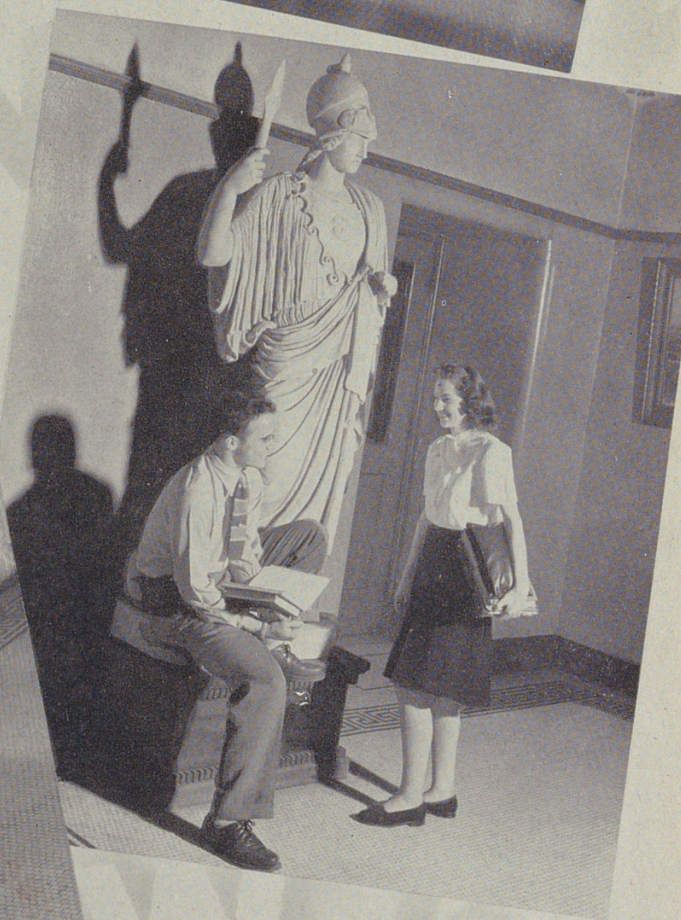

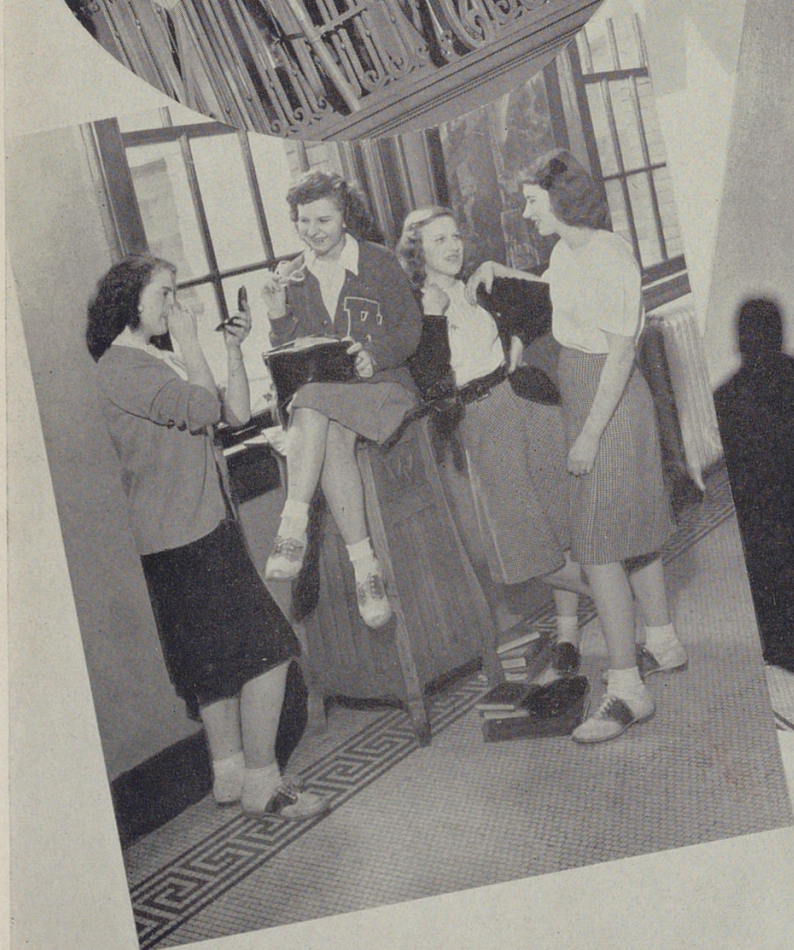

One hundred and sixteen years ago Woodward High School was founded by William Woodward. On the twenty-fourth day of October, eighteen hundred and thirty-one, the school was opened. In the years since that time, Woodward High School has grown into the fine school that it is today and it looks back on a glorious history of development and achievement.

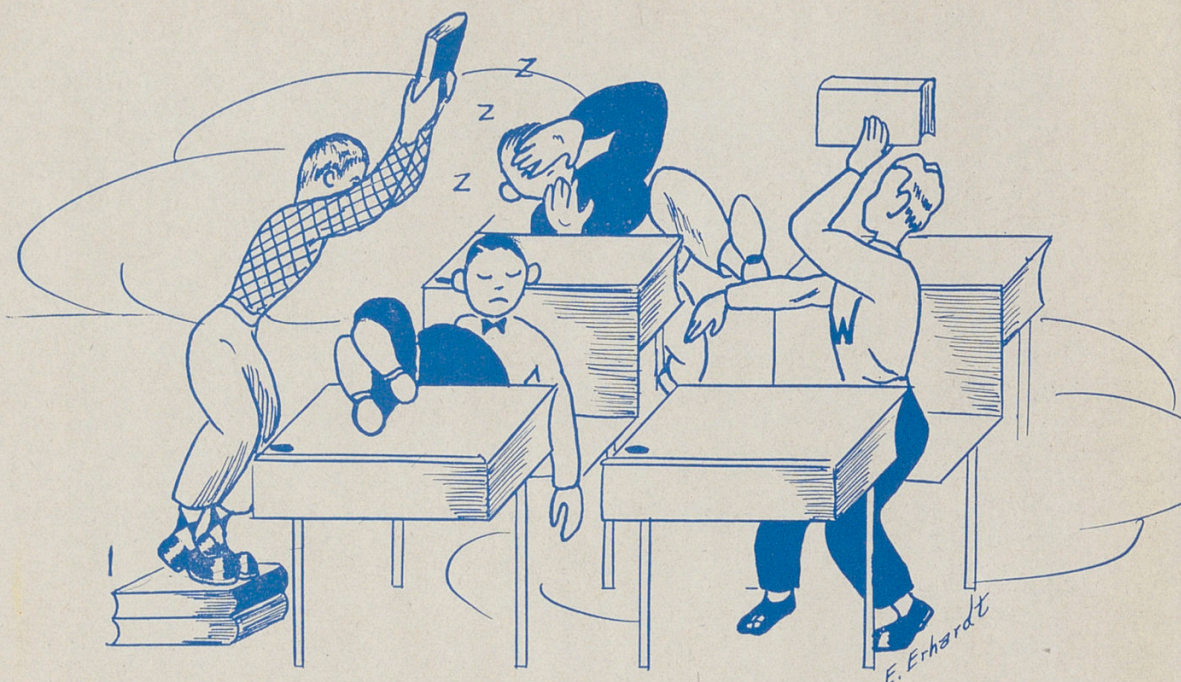

The years have seen four distinct physical changes in the building which housed our school — from the original two-story brick building to the present fine building erected in nineteen hundred and ten. Each building, as it was erected to meet the educational needs of its students, drew to itself the great wealth of tradition which is so vital a part of Woodward High School.

Woodward students are justly proud of their school. Through the years the spirit of Woodward has been the spirit of study and work, of service and song, of unselfishness and sacrifice, of devotion and duty, of appreciation and gratitude, of sympathy and kindheartedness, of acquaintance and friendship, of brotherhood and equality among men, of high ideals and lofty ambitions, of loyalty to God, to nation, to home, and to school.

Although intangible, the "Woodward Spirit" is no less real. We, who have been so fortunate as to sense its presence and to have our lives molded by its influence, give honor to its invisible strength. We, the graduating class of nineteen hundred and forty-seven, dedicate our Annual to this "Woodward Spirit". May it ever inspire and strengthen us!

FACULTY

As you, the Seniors of 1947, are bidding farewell to your Alma Mater, I cannot forbear reviewing briefly the troubled years that you have spent at Woodward.

You entered High School when the world was at war, and your country was deeply involved in the struggle. You saw many of your schoolmates leave these halls to join the Armed Forces, some never to return. You studied and worked under the strain and uncertainty of those terrible days and willingly assumed the obligation of doing your duty in the war effort upon the home front.

You saw the war come to an end, the victory won, only to realize that before you lies a bleeding, frightened, hungry world, needing more help, both physical and spiritual, if a lasting peace is to be won.

So upon you, about to take your place with all the young men and young women of the world, for surely now you are citizens of the world, rests the Herculean task of building this lasting peace — a peace based upon the brotherhood of man.

Class of 1947, I bid you God speed!

L. D. PEASLEE.

We, the graduating class of nineteen hundred and forty-seven, wish to make use of our Annual to bid farewell to our Principal. It would be impossible for us to take leave of him individually. Our number is too great. Time would be wanting for us to express to him our sentiments on this occasion of our graduation. So we use our Annual which will ever serve as a memorial to our Class.

We wish to express to our Principal, Dr. Leon D. Peaslee, our sincerest thanks for his great efforts in our behalf. He has done his utmost to help us through our years at Woodward. He has given a major part of his time and energy in unselfishly aiding us to solve our problems. He has helped us over the many difficulties which we have encountered in our school career. He has not spared himself in helping us to prepare ourselves for our part in life. We have become his ardent admirers. We take pride and pleasure in attempting to live up to his high ideals of good scholarship, worthy citizenship, and enlightened brotherhood. He has helped us to learn and appreciate the ideals of democracy so inherent in the "Woodward Spirit" which he exemplifies in his role of principal of our school.

As we leave the halls of Woodward High School, our farewell to Dr. Peaslee embodies not only our appreciation of his counsel in the past, but also our sincerest wish for his continued success.

The graduating class of 1947 will step out into an adult world where all thinking men and women have come to the conclusion that a spirit of brotherhood — not alone of American brotherhood, but also of world brotherhood — is not only desirable, but necessary, for a continuing and expanding civilization.

At Woodward High School, students have been demonstrating for many years, not only the necessity of such an attitude toward life and living, but also its workability. In this historic high school we have enrolled some fourteen nationalities, students who are members of four of the five races of mankind. Student body and Faculty work together in harmony and in mutual respect. What Woodward can do the World can do. Go into all the world and carry the Gospel of the brotherhood of man, a gospel you have learned at Woodward.

B. F. FULKS.

To the graduating class of Nineteen hundred and forty-seven I extend my hearty congratulations for a job well done, and a hope for a happy and successful life. Conditions to-day reflect very clearly that the persons well trained, are the ones who are to be the leaders in the future of our Country.

To the graduates of the Vocational Commercial Department I offer my sincere good wishes. With your specialized training in the field of Business Education, I hope you realize how well equipped you are with ideals and skills, and will be ready to participate constructively in the affairs of your business, your City and your Country. I am confident that with your excellent preparation for your chosen work, you will be able to accept responsibilities as they are presented, and take your place in the Community as efficient, cooperative and independent Citizens.

Treasurer

As the school year draws to a close, my duties as President of the Senior Class of '47 are nearly completed, my final one being to bid you farewell — "Farewell! a word that must be, and hath been — a sound which makes us linger; yet — farewell!"

To you, my fellow classmates, let me say that I am very proud to have been one of you and deeply appreciate all the occasions that we have spent together. During our four years at Woodward, we have not only acquired an education — a possession which can never be taken away from us — but we have also created many genial, faithful friendships, some of which will endure as long as life. After graduation, we won't be seeing each other as often as we like. Most of us will enter the business world, and a few of us will go on to college; but whatever we do, we'll never forget our wonderful experiences here at Woodward, our Alma Mater.

We'll never leave our school completely; parts of it will always remain. We shall frequently turn the pages of our Annual to renew our acquaintance with the Principal, the Assistant Principal, and the members of the faculty, all of whom tried so earnestly and so patiently to make good citizens of us. We'll turn the pages also to recall our old experiences and our classmates, whom we'll read about and meet. I am looking forward to the spring of 1948, when we shall hold a reunion for Auld Lang Syne.

Harold Pennington

The Color Guard

Proudly we present the Color Guard of the graduating class of nineteen hundred and forty-seven. To these boys has been entrusted the care of the flag of the United States of America during the current school year. It is an honor and a privilege to guard the colors of a country so outstanding in today's world.

The United States is the hope of the world. All freedom loving countries look to America for the strength which they need to solve the problems which face them. The United States stands for democracy and fair play with equal opportunities for all. We must live up to this and meet our obligations with strength and purpose.

The hope of the United States is the youth of today — the citizens of tomorrow. Our Color Guard is representative of this great group. Individually as members of the Senior Class we salute them and our country with the words:

"I pledge allegiance to the flag of the United States of America
and to the Republic for which it stands, one Nation indivisible, with
liberty and justice for all."

Last Will and Testament of the Class of '47

We, the Class of 1947, being of questionable mentality, but in good health and spirits, considering the certainty (we hope) of this being our last year in Woodward High School, do hereby declare, make, ordain, and publish this, our last will and testament.

ARTICLE I. To Dr. Peaslee, our Friend and Principal, we leave our undying gratitude and devotion.

ARTICLE II. To our Homeroom teachers, Miss Clark, Mr. Roebuck, Miss Abbuhl, and Miss Hanau, we bequeath pupils who will decide promptly on either Caps and Gowns or Formals, and who can fill out a card correctly the very first time.

ARTICLE III. To the Undergraduates we leave our insatiable thirst for knowledge, our indomitable will to work, and our infatigable spirit of accomplishment.

ARTICLE IV. To the Undergraduates we leave also the Lunchroom, its amiable staff, and its super-duper food (that's how reminiscing warps one's judgment). Also intestinal fortitude to survive the milk bottles, Woodward Hash, and third lunch. May your gripes be as loud as were ours.

ARTICLE V. To the Undergraduates we leave the task of filling the vacancies left by the following outstanding members of this illustrious class of '47:

Class Casanova.....	Bill Gessner
Class Jokers.....	Bob Brown and Jack Payne
Class Orator	John Tewart
Perfect Attendance Records	

Betty Albers, Clara Breen, Loraine Feie and Norma Hughes	
"Korn" Distributors ..	Wally Earhart, Ray Roberts, and Bill Parker
Most "Loved and Left" Senior.....	Tommy Hesketh
Leader of the Wolf Pack.....	Bob Karem
Brightest and Best	Helen Beam and June Watkins
Gossip Gatherer (friendly of course!)	Doris Kuhn
The Most "Smiley" Girl.....	Lucy Smiley
Best Dressed.....	Marilyn Dinger and Elaine Erhardt
Crooner.....	Isaac Mincy

ARTICLE VI. To our dear teachers we bequeath:

To Miss Wurtz — we leave a Fourth Year English class that will at least know the fundamentals of English Grammar.

To Mrs. Walker — we leave a Bulldog Staff that will be able to meet, if not beat, the deadline. (We never could!)

To Mr. Heller — we leave more Fourth Year Math classes like this year's. No! Not that!!

To Miss Levi — we leave more radio programs so that she can continue to show off Woodward's fine students with their oratorical proclivities.

To Mr. Harkins — we leave a Chemistry class that will get right to work so he won't have to repeat, "Say you're taking Chemistry? When you gonna start?"

To Miss Higgins — we leave bigger and better assemblies and some Stagehands who will exert a little effort!

To Mrs. Kamphaus — we leave just one student who can multiply on the comptometer.

To Mr. Rimanoczy — we leave a Senior Class that can sing four parts, not ten.

To Mr. Floyd — we leave more classes of brilliant Physics students. This year's class spent its time trying to discover from whence came his, to say the least, unusual ties and shirts.

To Miss Kamm — we leave a class of girls who can all make the grade as court stenographers.

To Mrs. McDaniels — we leave a sincere hope that there will be students who like to read for reading's sake! Paging Miss Mary Blanche Boland!

To Miss Curry — we leave a Student Council that will do its own work.

To Mr. Alexander — we leave a football team that will bring home the bacon.

To Miss Hanau — we leave freedom from Savings Stamps. Maybe the Republicans can balance that budget!

To Miss Tenhundfeld — we leave an Annual Staff that will strive earnestly, but futilely, to put out an Annual as good as ours!

ARTICLE VII. To the world at large we give the Class of '47 with the hope that it will appreciate our generosity!

Respectfully signed and submitted this day of June, 1947.

prophecy

The other day a few of us were strolling along when we sighted an encampment of gypsies. We stopped in amazement. It had been so long since we'd seen any of these wandering denizens of the open road. And they were all set up for business.

The same idea occurred to all of us at once. With graduation so near, we couldn't help but be concerned with what the next ten years would bring. Why not get that old gypsy sitting over there in front of her tent to reveal the secrets of the future to us. It was not difficult to win her cooperation—with the help of our allowances.

She dragged out an old table, covered it with an elaborate silk shawl, and placed a huge ball on it. With weird moanings she gazed into her crystal ball and soon began to intone astounding revelations.

"I shall take you on the wings of fantasy on a trip hither and yon and we shall see what the future holds for you and your fellow graduates of Woodward High School. We're in downtown Cincinnati now. There's your alma mater. Why, some of your former classmates are teachers there—JOE IRELAND, still as handsome as ever, is football coach; DOROTHY STALLINGS and CAROLYN CHESHER are history teachers and FLORENCE OEHLER teaches music.

Continuing into town, let's check on the directory of this large modern office building. It will give us a wealth of information. This one seems to house professional people—JOHN JOHNSON, doctor; STANTON GARLAND, lawyer; HOWARD and HELEN BELLAMAH, psychiatrists; WILLIAM PARKER, attorney-at-law; DEMUS SCHOOLEY, dentist (VIRGINIA KELLER believes her dentist is her best friend); PATRICIA KREISLE, doctor (she has FRANCIS BRUMMET as her nurse); CHESTER WELLS, doctor; WILLIAM CHANDLER, lawyer; BARBARA FUGATE, surgeon; and HERBERT HARRIS, attorney-at-law.

This building seems to be given over to business men. There's the office of LLOYD FOGEL and JOHN GAY. They're accountants now. What a charming secretary, CAROLYN MAZZEI, and stenographers DELORES STEIN, BERNICE SULLIVAN, and DOROTHY STEINER. GEORGE JACKS, now a top man in the advertising field, employs a number of Woodward graduates—ELAINE ERHARDT, WILFRED SALES, AMERICO CARUSONE, IMOGENE BERNARD, and JOHN PROPHETER, artists; EMMA LOU McKAREM and EDWARD GESSNER, bookkeepers; DELORES COMBS, HELEN OENBRINK, THERESA MARTINO, and KATHLEEN HUEY, secretaries. Look how efficiently FRANCIS NOPPERT operates her comptometer. GENE KESTLER is a real estate broker. CHARLES GREEN has a business of his own and has in his employ EVA MATTHEWS, GEORGIA BROWN, MYRTLE EVANS, MAUDE LEWIS, and ERNESTINE WASHINGTON. Draftsmen CHARLES LEWIS and DAVID ALLEN have their offices here; also MATTHEW GRUBER, mechanical engineer; and JOHN TEWART, consulting engineer. DORIS KUHN, the feminine version of Walter Winchell, collects her juicy tidbits in an office on the uppermost floor.

There on the corner is the pharmacy of WALTER FENDERSON, JACK EDWARDS, ERNEST HUNTER, and JOHN BLANKS. Their store is very fine and they're all registered pharmacists. Over there is an exclusive dress shop owned by BERNICE MILLER. She designs most of the clothes she offers to an exclusive clientele. Her designs are executed by expert seamstresses, many of

whom are designers in their own right—ANNA MAE BLACK, JOYCE LEWIS, ERNESTINE FERGUSON, MARTENIA McCLINTON, LILLIAN BANKS, and DOROTHY BRAY. Bernice has lovely models in ARDELL MALLALEY and ALBERTA DANIELS.

In that tall building over there JAMES HART, EDDIE MILLER, and JACK ROTHWELL work as research chemists. That beauty shoppe is owned and operated by RUTH BAKER and LaVERNE MENIFEE. On the other side of the street—there's SARAH MATHIS, GERTRUDE AVERETT, EUGENIA GRAY, and DOROTHY HAZZARD, social workers carrying their tell-tale card indexes; BOB CUMMINS, the famous FBI man; HAROLD ADAMS, the star of the St. Louis Cardinals; ELMER HESSEL, with his carpenter's kit; ROSE MARKARIAN, the famous singer; and DOROTHY STINSON with her triplets! Playboys ROBERT BROWN and RALPH ADAMS still howling! And at whom? Why at RAMONA BARNETT, that best dressed lady of the year. They have competition from CHESTER GEORGE, still 'bumming' around. There's handsome LEE GIBSON, named best dressed man of the year."

At this point the old gypsy hesitated and looked at us inquiringly. We knew what she wanted. So we searched our pockets and surrendered the last cent of our allowances. All this was too good to miss. Somehow the money gave her strength and on she crooned.

"Ah, we're approaching the Union Terminal. Why, there's CARL HARRELL, the handsome marine, just back from Hawaii. How dashing CARL SUTTON looks in his uniform. He's made quite a career for himself in the Army. He's just in from Washington. Such a crowd here in the depot. GERALDINE LAND, the crackerjack reporter, must be here to interview CLARENCE SIMS, world traveler. There's MARJORIE SCHROEDER off for her trip to California with MARY YEAGER, who's starting the first leg of her trip around the world. Doesn't SHIRLEY McCREARY look trim in her Wave uniform? There's ROSEMARY GALLO and BETTY CRUTCHER home on vacation from their traveling jobs. EULEEN GAMBREL home from South America where she has an executive position with a great exporting concern. Isn't that MARILYN DINGER? Look at all those insignia on her bags. She's certainly well traveled. CARROLL FELDMAN and IRMA WYMER home from mission fields. Teacher JOYCE LEWIS off to Puerto Rico. There's our PHYLLIS SWAN and STELLA RIDENER with their handsome naval officer husbands.

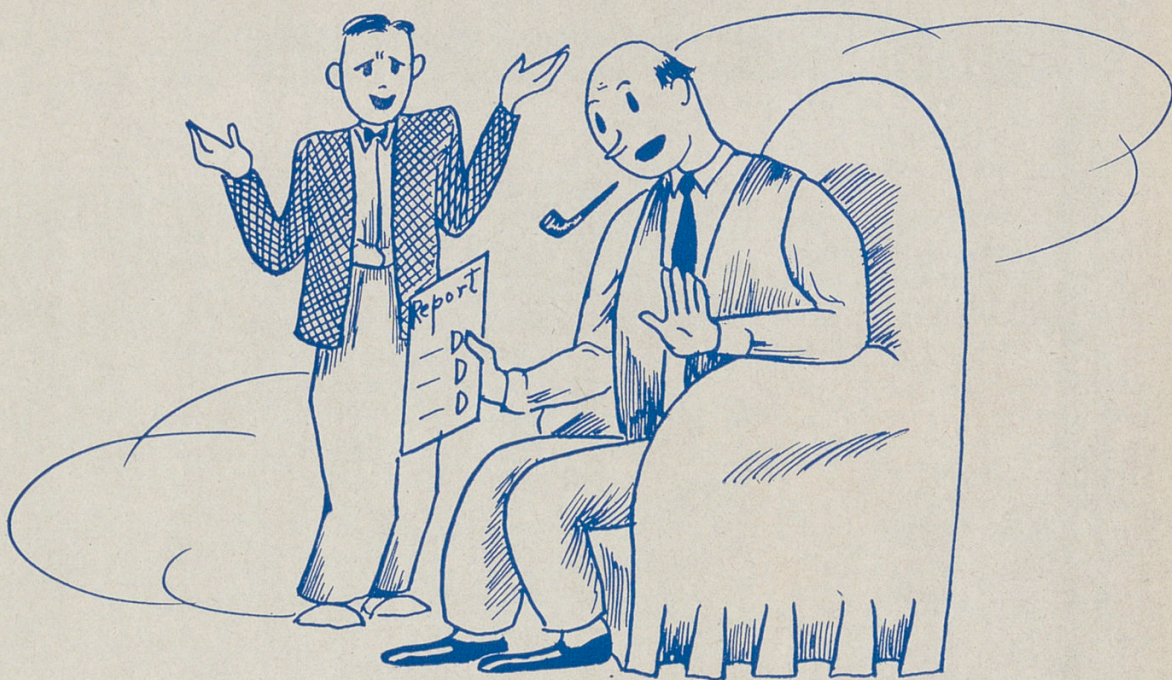

We're in the suburbs now. There's the hospital where VIVIAN SLAUGHTER, NORMA GLANTON, PAULINE WILLINGHAM, LILLIAN ANDERSON, VERONA ALLEN and MABLE JENNINGS are registered nurses. That plane overhead is being piloted by PEGGY TRUMBLE, her life's ambition realized. That long low building over there is the "Bowl Away," owned and operated by the former GLENROSE HALCOMB and her husband. Yes, she married a bowling champion! See the sign for ELLEN HUMMER'S dog farm—"Enjoy your holiday, we'll board your pet." On the theatre marque there are the names of ANNETTE WEINGARTNER and her husband-partner starring in the "Ice Follies". In every class there's bound to be one mortician, and in yours it is GRACE DAVENPORT. That's her funeral home over there.

Look at that brightly lighted house. MARTHA GROB is entertaining. That tall blond man is her husband. There's MAXINE HUGHETT, MATT GRUBER, VIRGINIA KELLER, BRUCE REDD, VIOLET ROEPER, WALLACE EARHART, ELAINE KOESTER, RUTH RINEHART, ROSE ANN VOILS, ROBERT KAREM, DEMUS SCHOOLEY, RAY ROBERTS. They turn on the radio and over the air comes the voice of JAMES COVERT, radio announcer, followed by the singing of SARAH KINNEY, featuring 'Blue Moon', LORRAINE EPPERSON, MAE FERDON, ANNIE HARRISON, and IMOGENE MILLER; the music of HENRY BATES and HERMAN MAYS. This is followed by an interview with NAOMI LAMPKIN, the famous author who has just published a "Book of the Month" selection. Doesn't that dinner being served by Caterer JOHN BLACKWELL and his staff look delicious. John got his start back in the good old days."

The old gypsy's voice began to weaken. We strained to hear her words.

"Your class has seen much romance. Wedding bells have rung often. It won't be too many years before Woodward will begin to welcome a new generation—the children of you and your classmates. 'Who married who?' you say. 'How many children has Ann and Mary and Grace?' I can tell you no more. I am exhausted. Be on your way."

Reluctantly we left the gypsy camp. We had learned so much—we wanted to learn so much more. But with this we had to content ourselves.

 C. Ciolino, R. Kareem, D. Schooley, R. Boehm, D. Grigsby, E. Burke — manager, Coach Alexander.

FOOTBALL

On the morning of August 26th, a squad of about forty boys was on hand for the beginning of fall football training. The players were introduced to the new football coaches, Mr. Alexander, head coach, and Mr. Bathiany, assistant coach, by Mr. Eshman our physical director. The team went to work. They practiced hard and faithfully. But the team was handicapped by having only three lettermen from last year's squad — Ciolino, Dieckman, and Schooley. Although the team got off to a poor start with five losses and one tie, they came back strong and took the final four games.

This would seem to indicate that hopes for next year's team should be brighter than for this year's team whose inexperienced players had to face a formidable schedule.

First Row: I. Mincy, H. Roberts, W. Earhart, R. Boehm.
Second Row: H. Schroedel, R. Karem, C. McHargue.
Standing: R. Roberts — manager, R. Dieckman.

BASKETBALL

Although Woodward was on the losing end of the score in most of the basketball games played this season, the school has reason to be proud of its hard fighting team. The team displayed a fine spirit, and in sports it's the spirit of the game which counts since both teams can't be winners. Praise goes to McHargue, Schroedel, and Dieckman for the good account they gave of themselves. Lack of experience handicapped the rest of the team but what they lacked here they made up in enthusiasm. Woodward looks forward to a better season next year.

ATHLETICS

First Row: R. Sharp, O. Frees, E. Miracle.
Second Row: J. Matherly, F. Haynes, D. Williams, J. Hoopes.
Third Row: G. Kuntz, K. Oliver, C. Bromwell.

RESERVE BASKETBALL

The Reserve Basketball Team, coached by Mr. Edward Eshman, had a mediocre season. The boys worked hard at their regular practices and played hard at their regularly scheduled games. The members of the team will form the nucleus of the varsity team in seasons to come and they will find their experiences on the reserve team of much help to them in varsity competition.

First Row: C. Ciolino, S. Carr, J. McCullars, A. Ream, J. Hoopes, J. Otis.
 Second Row: M. Moses, H. Phillips, C. Ballard, R. Hartman, K. Sharp, R. Cundiff, E. Rice.
 Third Row: Mr. Alexander — coach, T. Hesketh, H. Adams, L. Fogel, H. Schroedel, J. Ireland, R. Boehm, C. McHargue, R. McClellan, J. Payne, H. Channel.

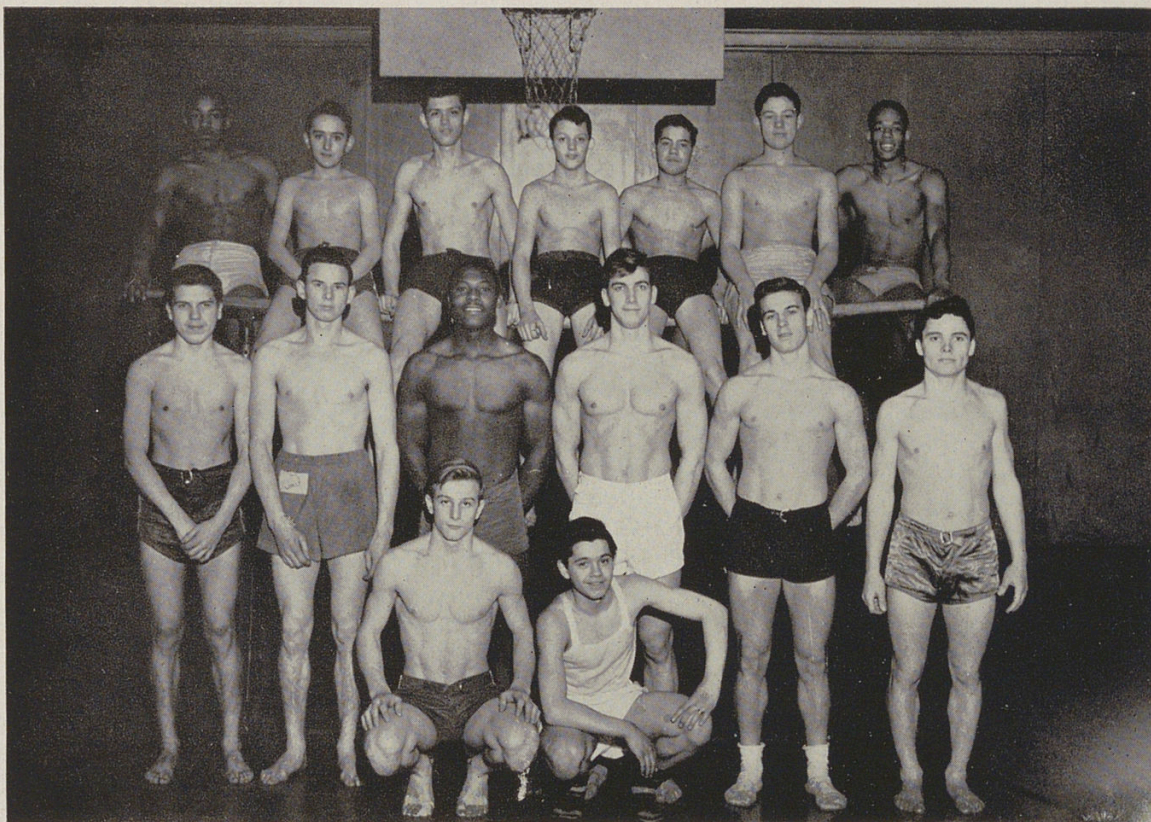

BASEBALL

The baseball season is just getting under way as the Annual goes to press. It is too soon to make any predictions concerning the outcome of the efforts of our boys. But we know they will give their best.

On the mound for the Bulldogs are Hesketh, McHargue, Rice, Adams, and Otis. The catcher's berth is handled by Schroedel, Roberts, and Ciolino. The infield is covered by Hartman, Boehm, Sharp, and Carr; and in the outfield are Fogel, Hoopes, and Phillips. First base position is held by Ireland.

The team is being coached by Mr. Clifford Alexander.

ATHLETICS

First Row: H. Brech, F. Quatromonie.

Second Row: E. Gulley, R. Cundiff, E. Wilkerson, E. Miller, J. Hoopes, K. Sharp.

Third Row: E. Twyman, R. Fogel, S. Dove, R. Battle, J. Keefe, K. Lentz, J. Blanks.

GYM TEAM

The Gym team under the supervision of Mr. Alexander won many places in the gym meets in which it participated. Some of its members merit special mention. H. Brech was regarded as one of the outstanding tumblers in the city. Places were also taken by Miller, Blanks, Hoopes, Sharp, and Battle. The other members of the team are deserving of praise for their sporting spirit. The junior members of the team worked hard and showed considerable promise giving rise to the hope for a first-rate Gym Team next year.

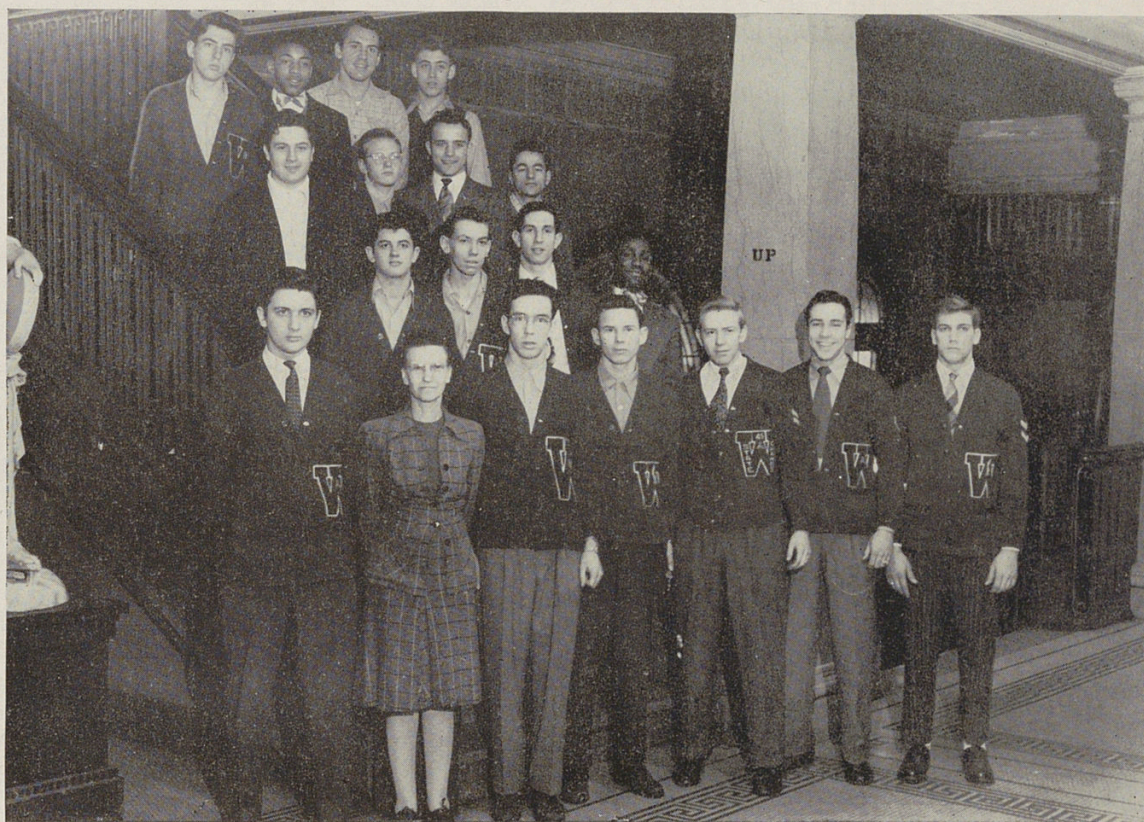

Seated: E. Twyman, E. Wilkerson, W. Crellin, D. Schooley, R. Dieckman, C. George, R. Karem, L. McMath, D. Williams.
 Second Row: F. Allison, G. Harper, W. West, S. Williams, G. St. Clair, K. Carrier, P. Oestreicher, R. Battle, S. Dove, R. Fogel.
 Third Row: S. Blackwell, I. Mincy, D. Thomas, R. Stallworth, F. Mathes, J. Black, J. Jiles, W. Tolliver, J. Blanks, R. Austin, E. Gamble, R. Bathiany — coach, E. Miracle, W. Earhart — manager, C. Green, E. Abbott — assistant manager, J. Elder.

TRACK TEAM

Under the guidance of a new coach, Mr. Richard Bathiany, the Woodward Track Team was organized this year after a period of several years inactivity. A large number of boys turned out and they have been faithful in attending their practice sessions. As the Annual goes to press, the Track Team is anticipating its first meet. We feel confident that the Bulldog tracksters will handle themselves creditably and will bring honor to Woodward High School.

G. A. A.

The Girls' Athletic Association, under the capable leadership of Mrs. Edna Rehkamp and Miss Betty Essel, is an organization open to all girls of Woodward High School. The purpose of the G. A. A. is to arouse an intelligent interest in all sports and games; to establish student leadership; and to foster good sportsmanship. The club meets every Wednesday and Thursday after school in the girls' gym. The activities include hockey, volley-ball, basket-ball, soft-ball, individual sports, hiking, tap-dancing, swimming, and tumbling.

The officers are: Frances Brummett, President; Joyce McCampbell, Vice-President; Chloe Saunders, Treasurer; Rose Yee, Recording Secretary; Helen Beam, Corresponding Secretary; and Dorothy Moreland, Historian.

LIFE SAVING

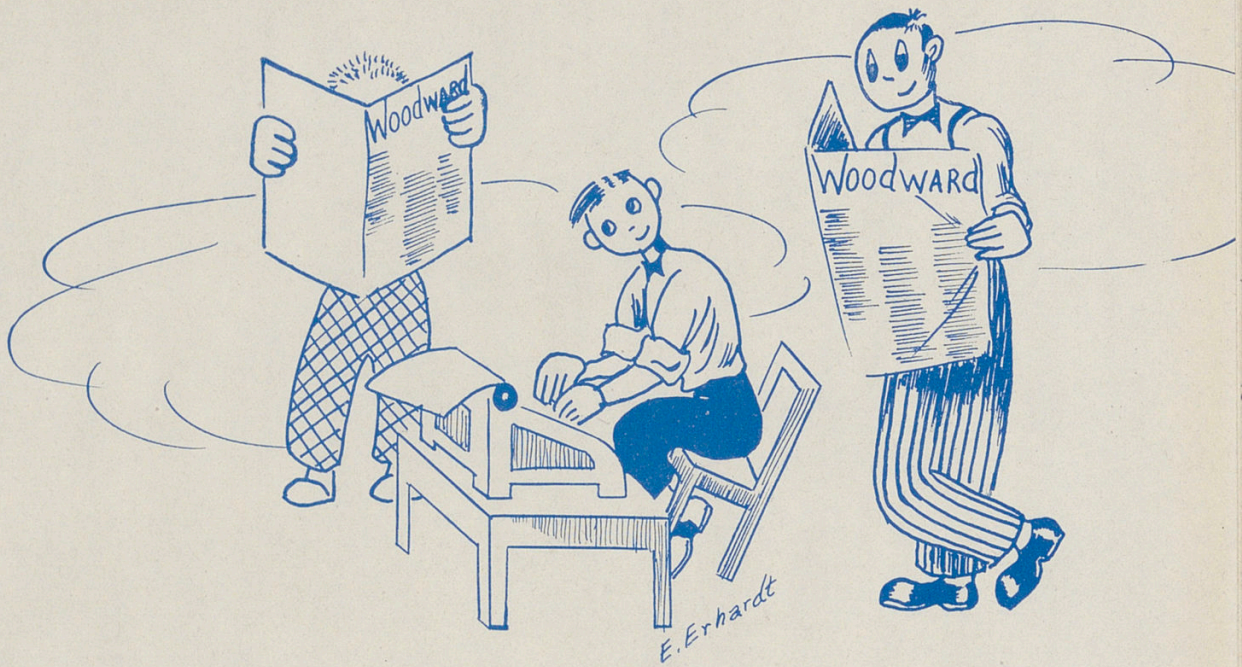

One afternoon a week after school, girls who know the fundamentals of swimming are taught the technique of saving lives. This program is under the direction of Miss Betty Essel. After reading their textbooks on the course requirements, the girls are tested on paper and in the water. When the pupils finish the course of instruction and have passed the required tests, they receive a Red Cross Life Saving Certificate.

Left to Right: B. Hurst, F. Williams, R. Shewmaker, M. Amerein, I. Musser, F. Phillips, K. Staton, M. Ennis, B. Creech, N. Pennington, P. Long.

TUMBLING

The Tumbling Team is composed of a group of girls who are interested in tumbling and are willing to learn through hard and conscientious practice the fundamentals of tumbling. First the tumblers are taught simple stunts such as forward rolls, backward rolls, and head stands. When these are mastered, harder stunts like chest rolls and handsprings are taught, and from there they combine the stunts and form exercises. The tumbling team is under the capable direction of Mrs. Edna Rehkamp, who is also their faculty advisor. She has given much of her time in helping the girls to obtain the poise, posture, and grace that tumbling enables them to have. The members of the Tumbling Team wish to express their sincere appreciation to Mrs. Rehkamp.

Number 5

Jack Becomes a Jolly Tar For A Day

Jack Rothwell represented Woodward on Tuesday, November 19, at the Navy's Science Exhibition in Cleveland. Rothwell was chosen to attend the exhibition along with nineteen other boys from Hamilton County and Northern Kentucky high schools. The trip was sponsored by the Naval Research Department, with the co-operation of the Cincinnati Post.

While making the trip, the boys were under naval authority. The trip was made in a navy bomber and the boys stayed at the Navy barracks when not inspecting the exhibitions.

The boys were privileged closely to inspect the National Aircraft Shows. The further inspected the laboratories and facilities of the National Advisory Committee for Aeronautics. Until the present time many of these weapons and scientific achievements were military secrets.

Rothwell was appointed a Navy Science Cruiser before leaving for Cleveland. He received orders to submit a brief report to the Office of Naval Research upon completion of the inspections. He was to give his impressions and views on the part that Science plays in national defense and the importance of acquiring a good sound education based on science.

David Reynolds, Seaman 2/C

David Reynolds, Seaman 2/C, 17, who enlisted in the U. S. Navy on August 10, 1946, at Cincinnati, was home on his first boot leave from Great Lakes Naval Training Center, Illinois.

David graduated from Woodward in June, 1946. He is much interested in the training. He sings in the Great Lakes Naval Training Center Choir, which broadcast on Navy Day, October 27.

After a twelve-day leave, Dave will return to the Great Lakes Naval Training Center and hopes soon to go on a cruise—to really get his sea legs; but he may be sent to a training school in one of the various centers in the United States. He is already climbing in rank—from Apprentice Seaman to Seaman 2/C.

Songs of Thanksgiving

PSALM 33 1. Rejoice in the Lord, O ye righteous, for praise is comely for the upright.

PSALM 148 1. Praise ye the Lord. Praise ye the Lord from the heavens; praise him in the heights. 2. Praise ye him, all his angels; praise ye him, all his hosts.

3. Praise ye him, sun and moon; praise him, all ye stars of light.

4. Praise him, ye heavens of heavens, and ye waters that be above the heavens.

5. Let them praise the name of the Lord; for he commanded, and they were created.

6. He hath also established them forever and ever; He hath made a decree which shall not pass.

9. Mountains, and all hills; fruitful trees, and all cedars:

11. Kings of the earth, and all people; princes, and all judges of the earth:

12. Both young men, and maidens—old men, and children:

13. Let them praise the name of the Lord; for his name alone is excellent; his glory is above the earth and heaven.

PSALM 34 1. I will bless the Lord at all times; his praise shall continually be in my mouth.

3. O magnify the Lord with me and let us exalt his name together.

ACTIVITIES EDITOR ELECTED SHILLITO'S PLAN PAPER

Doris Kuhn has been elected Activity Editor of the newspaper which Shillito is planning to publish. A name for the paper has not yet been decided, but it will be a monthly issue consisting of news for teen-agers. Doris will contribute all Woodward news. If you have any important club or activity news, for which you may wish publicity in the Shillito's paper, please contact Doris Kuhn either in 314 or in 207.

THANKSGIVING DANCE

Woodward's Central Alpha Hi-Y is sponsoring a Thanksgiving Dance at the Walnut Hills Masonic Lodge on November 27. Johnny Clark will provide the music for all the Hep Cats, and it looks like a fine time for everyone. You can get your tickets from any Hi-Y member or a few of the girls who have an interest in the boys or could it be they're looking for an escort to the dance? It was just a thought, you can't blame a person for thinking. The tickets are \$1.25 student and \$2.00 drag. Now it should be evident why some of the girls are helping to sell them.

BUY AN ANNUAL

If we don't hurry to order our copies, we may not have an Annual this year. There must be at least 800 orders in before the Yearbook will finance itself. The total subscription to date is far below the required number.

Seniors, especially, should give a down payment now; because every Senior will want an Annual at graduation.

Woodward always has a fine Annual—one of which each Senior Class has been proud. Don't be one of those sad Seniors who will run about the building trying to buy an Annual when not one is to be had. Too little and too late!

Just a quarter will put you in line for an Annual, and you can easily save the other \$1.75 necessary for Christmas; and by Spring that final dollar.

MUSICAL NOTES

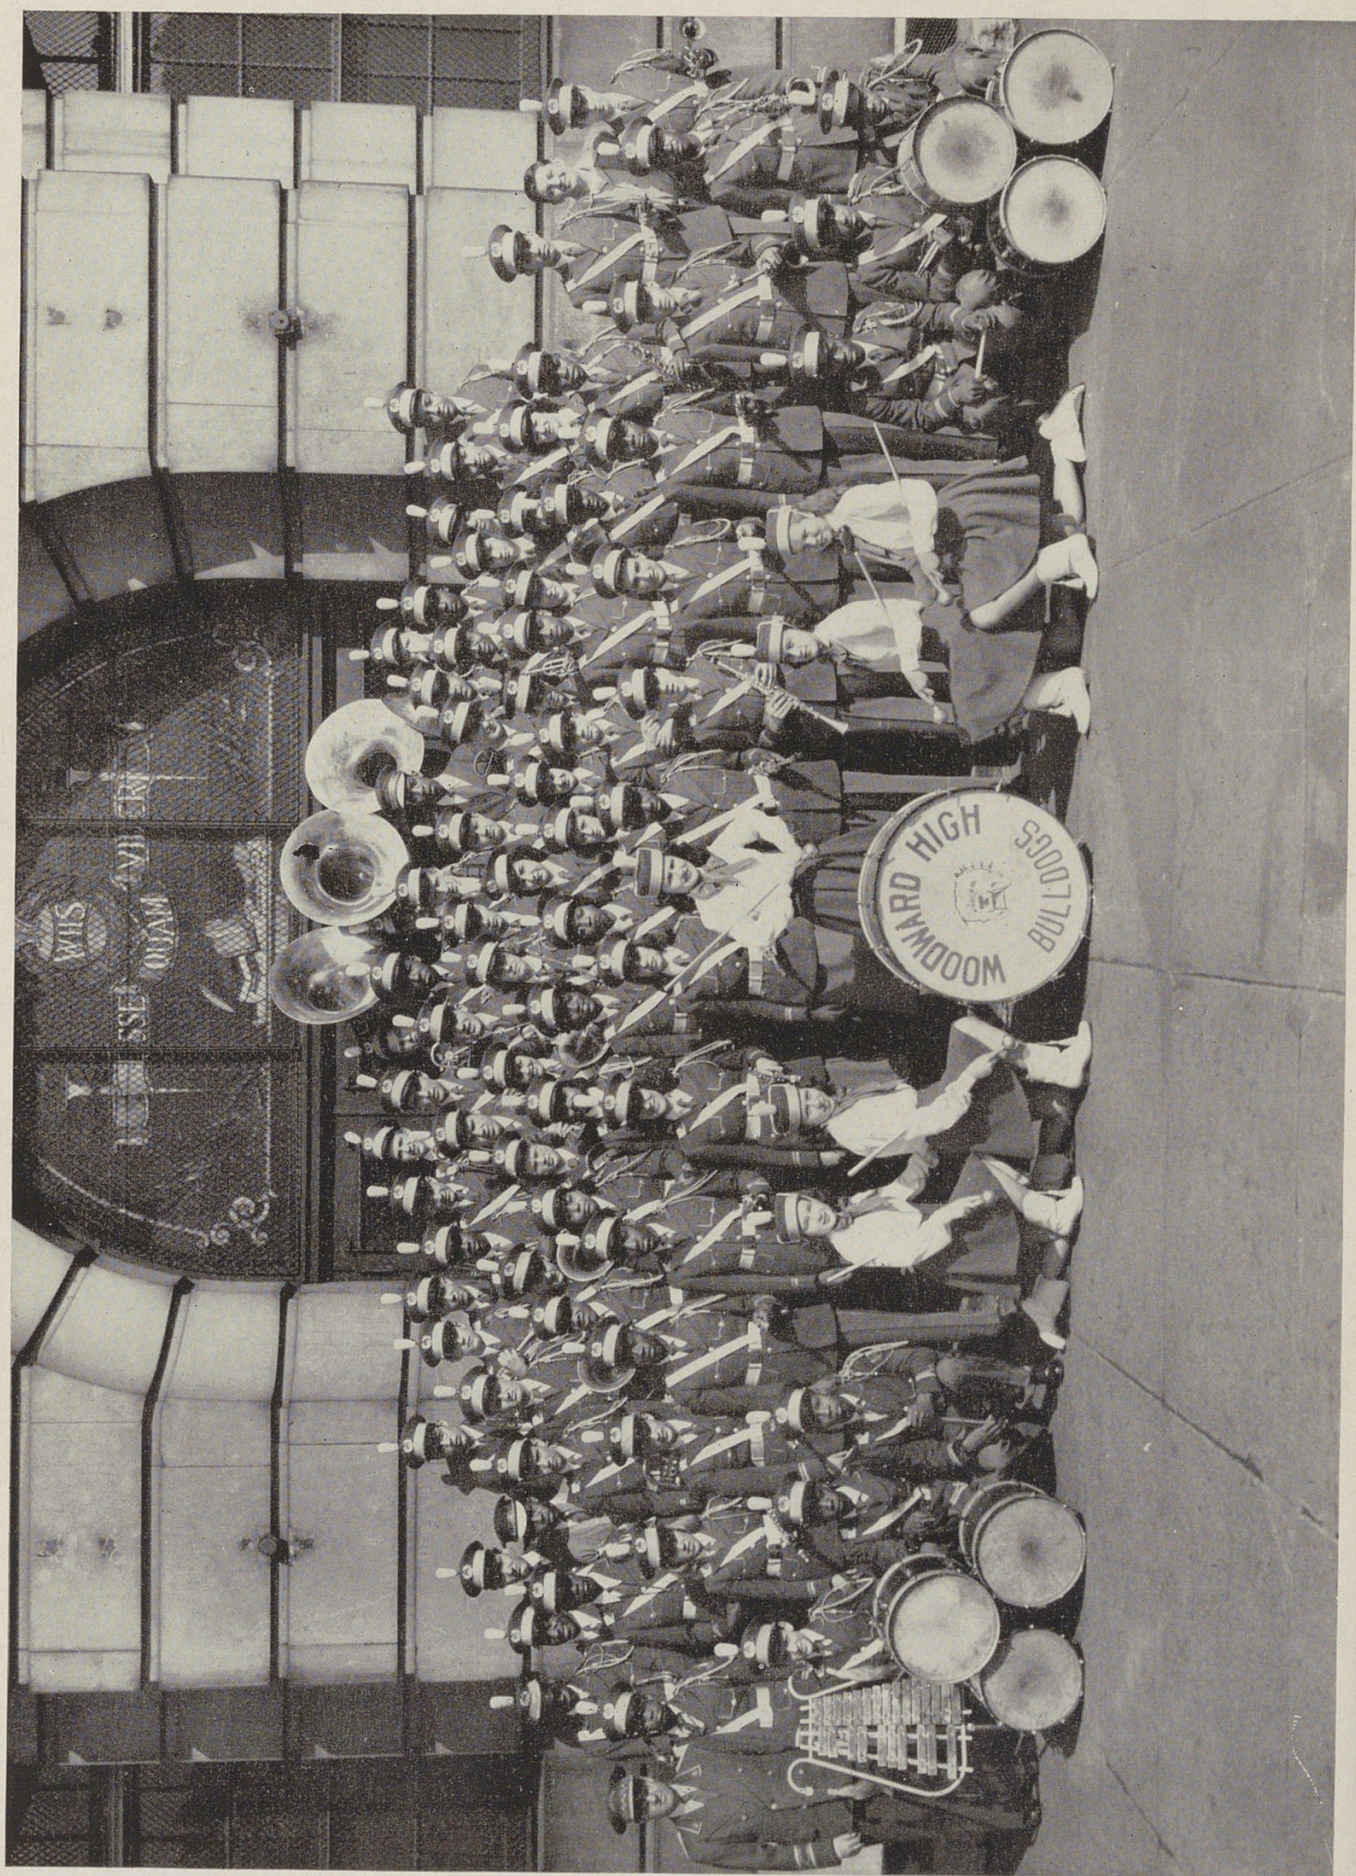

We congratulate Mr. and Mrs. Curtis on the birth of Kathleen Ann, a six-pound, fourteen-ounce baby girl, born in Christ Hospital at 9:45 a.m. on Armistice Day. Another reason for celebrating the day, more of sweet music came into a discordant world. A long and happy life to you, Kathleen Mavourneen!

BUY AN ANNUAL

All loyal Woodwardites will join in putting over the sale of the Annual. You'll be a graduate, too, some day. Or will you? Not if you slack your duties.

MUSIC

BAND

Woodward High School is proud to present its uniformed band. The year 1946-47 found Woodward's Band backing up the football team by participating at eight games. The new uniforms showed up well on the field as the band maneuvered through intricate letters and stunts. A selected group played for a section meeting of the Southwestern Ohio Teachers' Association. The next event the band played for was Founder's Day, March 7th. The two major engagements for the remainder of the year were the Spring Band Concert, April 25th, and the Memorial Day Parade, May 30th. The Woodward Band reached its highest enrollment to date early this spring, with a total membership of 82. Now that the organization has "grown up" in size, the band members and their director are striving continually to improve the quality of the music rendered.
