

REACHING NEW HEIGHTS

ILLUSION MODELS

To be an Illusion model took a lot of practice in heels until you could walk properly. Mrs. Wade made sure that each person trying out knew what need to be done .She taught them how to model and put on makeup. Illusion models did many fashion shows, participated in the Bomb Show at Woodward High School, and model garment during the Black History program. The young ladies and gentlemen gave their best show to people from Tender Mercies (community service). Thank you for adding to our life.
