COME HERE MY CHILD
 BY Ranessa Howell

Come here my child
 Tell me your needs
 I can HELP

Come here my child
 Listen to my advice
 I can Give

Come here my child
 I have knowledge to share
 I can TEACH

Come here my child
 Let me give you a hug
 It will stop the HURT

Come here my child
 You've done your BEST
 Come here NORMA
 Lay your head down
 God will give you REST

Come here Norma
 There's no need to feel alone
 Take God's hand and he will guide you HOME

We will miss your loving hugs and pleasing smile

FACES OF WITHROW!

FRIENDS

Forget those who dog you out
 Real friends are what I'm talking about
 Ignorant people that always lie
 Everyone needs one who won't deny
 No one really cares for them
 Do you want to be their friend?
 So believe in yourself and in them, they
 will be your friend to the end.

VARSITY

This year our football team started with a new man at the helm, Coach Steve Sheehan. His determination and hard work made this team very successful in the game. Our team this year was 7-3. He also gave the young men and their fans pride in their school. Not only did Coach Sheehan change the game but he changed the stadium with the football team and others help. They cleaned up the stadium.

Our Captains for the football team were Howard Beatty and DeBron Betts. They helped the team build unity. This help the team work harder to win.

This year the basketball team set the goal for the State Championship again. To accomplish their goal they practice hard everyday and start building a winning mentality. When the season started each member of the team had that winning attitude and began to accomplish their goal. They won many games and lost a few. They were MCC champions for their conference. None of these goals could be accomplished without Coach George Jackson's determination and the other coaches. Congratulations Boys Basketball team.

To be an Illusion model took a lot of practice in heels until you could walk properly. Mrs. Wade made sure that each person trying out knew what need to be done .She taught them how to model and put on makeup. Illusion models did many fashion shows, participated in the Bomb Show at Woodward High School, and model garment during the Black History program. The young ladies and gentlemen gave their best show to people from Tender Mercies (community service). Thank you for adding to our life.

GRADUATION '95

1995 VALEDICTORIAN
CHANAH BENZ

1995 SALUTATORIAN
LINH TRAN

1995 SENIOR CLASS PRESIDENT
HOWARD BEATTY

June 8, 1995 the Senior Class met in the auditorium as they prepare for graduation. They were putting on their robes of orange and black, fixing their hair and putting on their caps and making sure they were in place. Friends said their final goodbyes. The Junior class officers; Erin Norman, De'Mond Howell and Meghan Jackson prepared to lead the class across Withrow's famous bridge for their final time. As the Senior class made their final walk teachers were there to support them, parents took pictures (shed a few tears of joy), and horns blew to recognize our grads. Chanah Benz, Valedictorian gave a special charge to her class to remember God in their life. The mayor Roxanne Quall declared this day Chanah Benz Day presented by Mr. Charles Simpson. Linh Tran the Salutatorian spoke to the crowd how he had many barriers he had to overcome including language to make to this point. He thanked the Withrow Family for making him feel welcome in a foreign country. Senior Class President Howard Beatty gave his peers a challenge to make a difference in this world so that education is more important than a new football stadium.

Our speaker gave an uplifting speech and gave the graduates something for thought. Dr. Rice greeted each graduate and gave them a pearl to let them know that each of them were special, important and unique.

Congratulation Class 1995 for Striving for Success

THE ALMA MATER

Gentle slopes and lofty tower
Radiant in the sun
Arching bridge and shaded valley
All our hearts have won

Withrow's beauty, Withrow's splendor
Fill our hearts with pride
Love for you our Alma Mater
Ever will abide.

Friendships made in search of knowledge
Cherished binds and true.
Memories of golden hours
Hold us close to you.

As we venture from your portals
Aims held ever high
We held ever high
We'll turn back to glimpse once more
The lower against the sky.

Now the year has come to an end, we say good-bye to old friends and face a new year. This year has been hard because of new rules, failed proficiency test, changed rules, illness, and Big Cut Backs. These cut backs will mean new challenges we have to face and overcome just like life itself.

As the yearbook advisor, I would like to thank the students that help with the yearbook to make it successful. I would like to apologize for not featuring everyone I could but I had to face new challenges myself and not enough time to complete the book as in the past. I hope the yearbook will be better next time.

To the Graduating class of 1995 I would like to say goodbye and I hope in your new adventures you will STRIVE FOR SUCCCESS and will accomplish many things to make Withrow Alumni and family proud.

As I close this chapter, typed my last word and draw my last layout I would like to say GOOD BYE MY FRIENDS and I hope our paths will cross again some day !!!!!

To my friends who will be with me again (Junior Class) thank you for helping to feel my youth as this body breaks down.
