

I hit him mit my face on his fist so quick—O! so quick—dot I vos n't able to voke ub dill der next day or dwo. Id yust lacked a day of knocking me indo der middle of der next veek. Ven I didt an avakening make, I found mine eyes dwisted all offer mine vace. I looked crooked for dree days. Yust a few

days afterward, der Brofessor says dot I needed bracticing some, und dot I'd beetter got a lady-dog und bull her deeth und make a blate. I didt make a blate, but dey throwed id oud—und I never got it back.
