

A jolly young chemistry tough
While mixing a compound of stuff,
Dropped a match in a vial,
And after a while
They found his front teeth and one cuff.

By a recent experiment it has been found that potassium iodide unites with sulphur (under pressure), with the following reaction:

Care should be taken to perform the experiment in the dark, as some of the material is explosive and the reaction is very violent.

"The meat we had last night," remarked the new boarder, "was overdone."

"Well, it won't be tonight," replied the old stager.

"Think not?"

"Sure. It'll be done over."

"Yes, he's living in Kentucky now, and he says he's delighted."

"Huh! I can't imagine anybody being delighted over living in Kentucky."

"You don't understand, he means he's glad he's living."

Doctor (inquiring of boy who had swallowed penny)—
How is the little boy today?

Anxious Mother—No change, yet.

Here's where I lose ground," said the tramp, as he stepped into the bathtub.

Lives there a man with soul so dead

Who never to himself hath said,

As he aimed at the tack and

Missed the head.
