

A Championship Season!

Outstanding. This is one word that truly described the results of the boy's varsity tennis team. Their record was 18-1 and the doubles team of Scott Marshall and Brad Goldberg won the state title. Coach Larry Taylor commented, "Looking back on accomplishments, the team went beyond my original comprehension."

"Looking back on all of our accomplishments, the team went beyond my original comprehension."

-Coach Larry Taylor

Another one of the accomplishments was winning the city title. The team had to beat St. Xavier not once, but twice. Sophomore Marshall said, "Beating St. Xavier was a great feeling, because they are our big rivals."

Sycamore sent another doubles team to state competition in Columbus. These were Junior Lee Sutton and Sophomore Bryan Life. Sutton and Life finished in fourth place. Marshall and Goldberg, who lost in the state semi-finals the previous year, captured the title this year. Their toughest match was against St. Xavier's

Seth Dimling and Chris Black, in which they had to go three sets to finally defeat. Overall, the team proved to be winners.

Ready when you are...Senior John Barton stands calmly, waiting for his opponent to serve him the ball.

Keeping an eye on the ball...Freshman Jeff Wu steps forward as he prepares to hit the ball.

In action! State qualifier, sophomore Scott Marshall, uses all his strength to backhand the ball to his opponent.
