

# Variety Show

On Wednesday, April 12, parents and students piled into the Little Theatre to see their sons, daughters, and friends perform.

Mrs. Brenda Huffines, Sycamore's Choir director, was pleased with the turn out. This was the tenth year for the Variety Show and once again, the response was overwhelming.

"The Variety Show gives kids who are in the music department a chance to have stage experience that they normally don't get during concerts or contests," said Huffines. "But it also shows off the kids who aren't in the music department, but who are very talented."
