

# ***"Once Upon a Mattress"***

On March 2, 3, and 4, Sycamore students channeled their time and energy into the musical production, "Once Upon a Mattress."

"Throughout the land no one may wed till Dauntless to the alter is led." This problem plagued a medieval kingdom in the comic version of "The Princess and the Pea."

Fortunately, Princess Winnefred ascends from the mire and muck of the swamp, surpasses all tests set before her, and saves the day.
