

Comedies Tonight

"Something esthetic, something frenetic, something for everyone, a comedy tonight!"

The spring play, **Comedies Tonight**, had something for everyone. It was presented May 4, 5, & 6 in the Little Theatre, and it included scenes from *Taming of the Shrew*, *Chapter Two*, *Next*, *Rosencrantz and Guildenstern are Dead*, *You're a Good Man Charlie Brown*, *I'm Herbert*, and many others. It also included the musical numbers *Comedy Tonight* and *Applause*. The ensemble, consisting of 16 actresses and actors, kept 'em rolling in the aisles all three performances. The spring play was an appropriate end to a season filled with comedies.
