

# Spring Fling

Sycamore High School's first annual Spring Fling was held April 14th out on the faculty parking lot. The weather was great, and hundreds of students enjoyed the carnival-like atmosphere that prevailed. Numerous booths of both food and games lined the pavement. Among the favorites were the pie tossing booth sponsored by SSTAG and the dunking booth sponsored by Student Council. The

Little 500, a tricycle relay race, kicked off the afternoon as teams competed for the first ever title. The bands, Rude Awakening and Chilly Willy, winners of the first Battle of the Bands, kept the crowds dancing and the sound of music in the air. Everyone enjoyed themselves immensely at the first annual Spring Fling, a great success.
