After a slow start, the team finished the season with a 14-4-4 mark and was ranked fourth in the final coaches poll. In tournament play the Aves defeated Milford, Princeton, and the city's number one team Anderson before losing in the district finals to Turpin in a sudden death double overtime. Greg Legeza, Mike Scherr, and Chris Duffield were named to the all-city team.

Coach Gausmann remarked on the season, "Even though the season started slowly, the players never quit trying, and we were able to turn the season around."
