

With the competitive spirit of the 1992 Olympics, came the theme for the Sports section. During the Olympics, athletes gave their all hoping to win a gold medal. During the '91-'92 sports seasons, Sycamore's teams and athletes exhibited a competitive spirit and dedication to win many honors in the Greater Miami Conference and state tournaments.

The boys tennis doubles team won its second consecutive state title, and the girls swim team won its first state championship. In some sports, winning the state championship was the only satisfaction. In others, winning a few games was satisfaction enough. Every athlete at Sycamore had his or her own interpretation of **Going For The Gold.**
